Campus Recreation

Title: Lifeguard

Location: Student Recreation Center

Job Type: Either Federal Work Study of Student Assistant

Days Needed: 15 – 35 hours per week

Number of Positions Available: 10

Wage: $9/hr starting

Start Date: 5/16/2016

Job Description:

A lifeguard working for the Department of Campus Recreation at Montclair State University is the primary agent responsible for patron safety at the aquatic center. Members of the Aquatics Department are responsible for helping to plan and execute events held in and around the pool throughout the year, and abide by the employment policies applicable to every employee of the Department.

Primary Responsibilities:

- Maintain a current Lifeguard and CPR for the Professional Rescuer/AED through the American Red Cross
- Attend all in-service training sessions and employee meetings
- Perform all necessary rescues according to the standards of their certifications
- Be knowledgeable and prepared to activate the Emergency Action Plan while on duty
- Be alert and present a friendly, enjoyable, and helpful appearance to patrons entering the pool
- Enforce the rules and policies of the pool; dress in accordance to NJ State Law
- Attend all shifts or obtain substitutions for shifts beforehand
- Test the pool chemistry every hour according to establish procedures
- Follow all opening and closing procedures
- Follow the directions of the Aquatics Coordinator and all members of the Campus Recreation professional staff

Qualifications:

Current Certification in Lifeguard Training by the American Red Cross, OR complete the pretest qualifications for lifeguard training course AND complete the Lifeguard Training course before May 30, 2016

Application Instructions:

Email Alex Sperling at sperlinga@mail.montclair.edu to schedule a pretest or interview.
