Gainful Employment Disclosures

Federal Regulations require universities to provide information to current and prospective students who enroll in non-degree certificate programs where students are eligible to receive funding through Federal (Title IV) student aid programs. The information is intended to inform students about the occupations the programs prepare students for, the cost of the programs and average student loan indebtedness of students completing the programs, the success rate of recent students in completing their program in a normal time frame.

Translation and Interpretation in Spanish Certification Program

- This program prepares students for a career as a translator/interpreter. U.S. Department of Labor’s Standard Occupational Classification (SOC) code is 27-3091. The occupational profile for a career in this field can be found on the O*NET OnLine web site at http://www.onetonline.org/link/summary/27-3091.00.

- One student completed program requirements in this program in 2012-2013.

- This program requires successful completion of 12 credits hours of coursework. At current tuition and fee rates, the cost for the complete program would range approximately from $7,405 for in-state students to $10,875 for out-of-state students.

- The estimated cost of books and supplies for the complete program would be $500.

- The median student loan debt for a student completing this program is zero in Federal Student Loans and zero in privately funded educational loans.
