ROOM SELECTION PROCESS

FALL 2013 – SPRING 2014

Revised on February 22, 2013

http://www.montclair.edu/resed/
Dear Student:

If you would like to be considered for university housing for the upcoming academic year, please read this information packet carefully. If securing housing is important for you, please make a note of all the dates in your planner and make sure not to miss them. If you fail to meet any deadlines or if you miss any steps listed throughout the room selection process outlined in this packet you may be unable to secure housing.

Students will increase their chances of obtaining housing if they pre-qualify by paying their $300 non-refundable housing application fee by the deadline date of Thursday, March 7, 2013 by 6:00 pm to the Student Accounts office. Students may also pay their housing application fee via WESS utilizing a credit card or Echeck.

Please note that when selecting and accepting a room assignment you are making a legally binding contractual commitment for both the fall 2013 and spring 2014 semesters.

For the most up-to-date housing information, please review our website at http://www.montclair.edu/resed/. If you have any further questions, please send an email to resed@mail.montclair.edu or contact us at 973-655-5188.

Good Luck!

Kevin Schafer
Assistant Director for Housing Assignments

Renee Grant
Housing Assignments Coordinator
The $300 non-refundable housing application fee for 2013-2014 is now being accepted from returning MSU students at the Student Accounts Cashier’s Windows on the 2nd floor of College Hall. Cash, personal check, money order or credit cards are accepted. To be eligible for priority room selection, the fee must be paid by Thursday, March 7, 2013 by 6:00pm. Students may also pay their housing application fee via WESS utilizing a credit card or Echeck.

**ELIGIBILITY INFORMATION**

- **General Eligibility**: Any student wishing to participate in the Room Selection process for the 2013-2014 academic year must be a currently enrolled student in good standing and have paid the 2013-2014 housing application fee of $300 by March 7, 2013.

- **Holds**: It is the student’s responsibility to ensure that all holds (except academic probation) are removed from their WESS account. Please check your account prior to room selection. For example, paying a parking ticket online does not remove the hold from a student’s account. The student must speak with Parking Services to remove the WESS hold. If a student clears a hold on the day of their eligibility for room selection, they should contact the Office of Residential Education and Services to have the hold removed from their RMS account. The hold must be visibly cleared in WESS for Res. Ed to remove the hold. Please note it may take some time for the staff to remove the hold from a student’s RMS account. Please note that academic holds such as academic probation do not affect a student’s ability to select housing.

- **Credit Hours**: Residence accommodations are available only to registered students of the University. Priority is given to undergraduate students registered for and maintaining 12 or more credits per semester and graduate students registered for and maintaining 9 or more credits per semester. Make sure to review your credit hours now so that you know how many credits you will have at the end of the spring semester to determine where you can reside for the 2013-2014 academic year. Credit hours are determined by adding your earned credits and your currently enrolled credits. **Please note**: Basic Classes such as Math 060 do not count towards your total credit hours for housing selection.

- **Students on Probation**: Students who are on University conduct probation at the time of sign-ups are not allowed to reserve a bed space in The Village or Hawk Crossings. If you are placed on conduct probation after you have been assigned to any space in The Village or Hawk Crossings, you will not be permitted to retain your designated assignment and will risk losing your housing privileges. If you have questions about your disciplinary status, please speak with your Community Director or the Director of Student Conduct. The above does not apply to students on academic probation. Academic probation does not prevent a student from selecting housing.

- **Students with Financial Holds**: Students who have financial holds at the time of sign-ups are not allowed to reserve a bed space. Once a student’s account is paid in full, the student will be eligible to participate in housing sign-ups as long as it is within the determined timeframe. If you have missed your time frame please contact the Office of Residential Education and Services and they will assign you a new time frame or advise you of your next step.

- **Graduate Students**: Graduate students are only eligible to reside in The Village at Little Falls. Graduate students will be able to select a space in housing on March 28, 2013.

- **Room Retention**: Room retention (returning to the exact same bed space, this does not include moving to a different bed space in your current apartment) can only be done in The Village and Hawk Crossings on March 26, 2013. If you do not retain your room on that day, you will be ineligible to retain your room and will need to go through room selection according to your assignment time. Students in the traditional halls are not eligible to retain their spaces.

**How do you pull a resident into your apartment after you retain your space? (HAWK CROSSINGS AND VILLAGE RESIDENTS ONLY)**

First, you need to retain your bed space on March 26th during the designated time frame, which is the only designated day to “retain your space.” If you do not “retain your space” on that day, you will be ineligible to pull in a roommate. On March 27th, you must log into the system and pull your roommate/s into your apartment. Please be sure to have all required information for the students you would like to pull in.

- **The Village Credit Hour Requirement**: In order to be eligible to live in The Village, undergraduate students must have completed 50+ credit hours at the completion of the spring 2013 semester.
**Hawk Crossings Credit Hour Requirement:** In order to be eligible to live in Hawk Crossings, students must have completed 30+ credit hours at the completion of spring 2013 semester.

**Frank Sinatra Hall Credit Hour Requirement:** In order to be eligible to live in Frank Sinatra Hall students must have completed 24 + credit hours at the completion of the spring 2013 semester.

**Meningitis Immunization:** If you have not been a resident on campus over the past two semesters, you must show proof of the meningitis immunization to the Health Services office prior to signing up for a space.

**Study Abroad/Internship Students:** Students that are currently studying abroad, who were resident students in Fall 2012, will be able to select a bed space during the General Room Selection, or a current resident student can pull them into a space as long as they meet the eligibility criteria for that bed space. Study Abroad/Internship students must pay the $300 non-refundable housing application fee by March 7, 2013 in order to be given priority. If you are studying abroad in the fall 2013 semester please contact our office in October to be placed into housing for the spring 2014 semester.

**RESIDENCE LICENSE AND DINING SERVICES AGREEMENT**
The *Residence License and Dining Services Agreement* is a legally binding agreement. Once you confirm the acceptance of the space that you are assigned to, you are committed to campus housing and a meal plan (if applicable) for the entire 2013-2014 academic year. Prior to room selection a student must enter the RMS system and electronically sign the *Residence License and Dining Services Agreement*. Students will be unable to participate in room selection if they do not electronically sign the agreement. Students will have 5 business days from the day in which they self-select, or are pulled into a bed space to cancel their housing. All cancellation requests must be sent from a student’s MSU email account to resed@mail.montclair.edu. Students will receive an email to their MSU email confirming their cancellation and forfeit of their Housing Application Fee. After those 5 business days, a student will be held financially responsible for that bed space for the entire academic year (fall and spring).

**PAYMENT INFORMATION**
All applicants must pay a $300 non-refundable housing application fee. Make checks payable to “Montclair State University,” and bring or mail this payment to the Student Account’s Office at College Hall 216, Montclair State University, Montclair, NJ 07043. Cash, personal check, credit card or money order is accepted. Please be sure to write your MSU ID on your check. Students may also pay their housing application fee via WESS utilizing a credit card or Echeck. Students who have an outstanding balance for the current term are ineligible to participate in the room selection process. **It is your responsibility to clear any delinquent charges.**

**LATE HOUSING APPLICATION FEE**
Housing application fees received after 6:00 pm on Thursday, March 7, 2013 will not be eligible for priority room selection. Students will be contacted with further instructions. Therefore, if your housing application fee is not received by the deadline, you will not be eligible to participate in priority housing selection even if your requested roommate(s) is eligible.

**SPECIAL ACCOMMODATIONS**
If you are requesting special accommodations, you must submit documentation clearly stating your diagnosis, functional limitations, professional credentials of the evaluator and specific accommodations by **Friday, March 15, 2013**. Spaces are limited, and we cannot guarantee roommate preference(s). All information submitted is strictly confidential. Documentation should be forwarded to: Montclair State University, Disability Resource Center, Morehead Hall 305, Montclair, NJ 07043, (973) 655-5431. The request form can be found at [http://www.montclair.edu/residential-education/campus-living/forms-and-requests/](http://www.montclair.edu/residential-education/campus-living/forms-and-requests/)

**MEAL PLANS**
Students residing on campus in one of the Traditional Residence Halls are required to purchase a valid meal plan. Please refer to the Dining Services website for detailed meal plan descriptions. Students residing in Hawk Crossings or The Village Apartments are exempt from the meal plan requirement; however, students who choose to take a meal plan will have the option to do so during the housing sign-up process.

**BREAK HOUSING**
Russ Hall, Hawk Crossings, Sinatra Hall, Machuga Heights and Commons (Mills Hall, Gibson Hall, Gordon Hall and Barton Hall) and The Village at Little Falls are designated 9-month facilities. Any students, including athletes, that will need to remain in housing for recess periods such as winter break, may choose from these housing options for the 2013-2014 academic year.
ROOMMATE SELECTION
Once you determine who you plan to live with and whom the designated person will be to select your bed spaces for the room/suite/apartment that you would prefer to reside in, it is that designated person’s responsibility to complete the process for all individuals involved. Once the spaces are selected, students will not be able to reenter the system to select a different space. Please pay close attention to the suite, room or apartment you have chosen. Once selected, you will NOT be able to make any changes until after the room freeze ends in September. You will be billed according to your selection. **All selections are final.**

*Please note if you are allowing a proxy to select and confirm a space on your behalf for the 2013-2014 academic year, you must first enter the RMS system prior to your selection time and electronically sign the Residence License and Dining Services Agreement.

HELP DESK
Personal assistance will be available from 9:00 am. to 4:00 p.m., on the days the online system is in operation (see schedule on the next page), by calling 973-655-5188, or visiting the Office of Residential Education and Services in Bohn Hall on the 4th floor.

GENRE NEUTRAL APARTMENTS
If you are requesting a Gender Neutral apartment in The Village at Little Falls or Hawk Crossings, you must have enough students to fill the entire apartment and all interested parties must complete and sign the Gender Neutral Apartment Living Agreement. There will be a limited number of apartments available for the 2013-2014 year. The forms will be available at the Office of Residential Education and Services located on the 4th floor of Bohn Hall and can also be found at [http://www.montclair.edu/residential-education/campus-living/forms-and-requests/](http://www.montclair.edu/residential-education/campus-living/forms-and-requests/). Completed and signed forms are due in the main Office of Residential Education and Services by 12 noon on March 15, 2013. In order to be considered, all interested parties must have paid their $300 housing application fee by March 7, 2013, have no holds on their accounts and meet outlined criteria for placement into the apartments. Priority will be given to students that are currently in a Gender Neutral Apartment and where all students are current residents. All students applying must not have any holds on their account. All students must electronically sign the Residence License and Dining Services Agreement before being approved. We will notify all parties of the approval or denial of their request the week of March 18, 2013 via your MSU email account. Students will be assigned to apartments at the discretion of the Office of Residential Education and Services with either all singles or singles and doubles within The Village and Hawk Crossings.

COMMUTER STUDENTS
Students currently commuting who wish to apply for housing for the 2013-2014 academic year must pay their housing application fee by March 7, 2013 to be eligible to participate in the room selection process. **Commuters can be pulled into housing by a current resident student. Commuters that are not pulled in will be sent further instructions about room selection in mid-March.**

BOHN, STONE, and WEBSTER HALLS
Stone, Bohn, and Webster Halls will not be available for returning resident room selection for the 2013-2014 academic year.

**Please note:**
Students who have completed their 2013-2014 room and meal plan selection, but have not registered for the fall 2013 semester by May 3, 2013 will have their room and meal plan cancelled. The bed space will be reassigned to a student on the wait list. The application fee will not be refunded.

To be reassigned, the student must complete course registration for fall 2013 and then contact Residential Education and Services to request reinstatement of their 2013-2014 housing application. The student's updated registration status will be confirmed via WESS. The new room assignment will be made if and when space becomes available.

Students who have completed their 2013-2014 room and meal plan selection, but have not paid their account in full or made payment arrangements will not be issued a key at move in. Students will not have their room and meal plan cancelled and will remain financially liable for this space.

**IMPORTANT FAFSA INFORMATION**
The 2013-2014 FAFSA is now available and the Financial Aid office would like to remind students that the priority deadline for the FAFSA is March 15th. Starting in February, students can use the IRS data retrieval tool on the FAFSA
website, [www.fafsa.ed.gov](http://www.fafsa.ed.gov) to assist with completing the form. The tool will link directly to the IRS and import the information from a filed Federal tax return directly into the FAFSA. Because of new Federal regulations for the verification process, students are encouraged to complete the FAFSA as early as possible and to use the IRS data retrieval tool. The earlier a FAFSA is filed, the more time a student has to request the appropriate verification documents, if necessary, and get their account settled for Fall 2013 move-in. If a student delays in completing the FAFSA and in submitting verification documents, they may have a delay when they move-in. For further information regarding financial aid, the FAFSA and verification, please visit the Financial Aid office in College Hall room 208, call at 973-655-4461 or visit our webpage at [www.montclair.edu/financialaid](http://www.montclair.edu/financialaid).
Assignment Time

Current Residents:
Retaining your bed space (only for Hawk Crossing and The Village at Little Falls):
Students who are going to be retaining their bed space need to go into the system on March 26, 2013 to retain their space from 9:00am to 4:00pm.

Roommate pull in for those who have retained their space:
After retaining their space on March 26th, students will then go back into the system on March 27, 2013 from 9:00am to 12:30 pm and pull in roommates until their apartment is filled.

General Room Selection:
Students who are not retaining their space will go through general room selection. Assignment times are based on credits earned plus currently enrolled credits and GPA. The RMS system will assign a selection time, which will be emailed to you during the week of March 18, 2013. You will be given a 30-minute window of time in which to sign into RMS. You will then be able to select a bed space throughout campus. If you do not receive an assignment email by March 22nd at noon please contact our main office via email at resed@mail.montclair.edu.

Please note:
All students who have paid their housing application fee by the priority deadline will have an assignment time generated for them. If you have retained your space or have been pulled into an apartment, you will not need to go into the RMS system at that assigned time.

Conflict of time:
As the system randomly assigns times, it does not take into account your academic schedule. As academics are of the utmost importance, we do not recommend that students skip classes to sign up for housing. If you have a class at the same time you are scheduled for housing selection, you have a few options. 1) You can have your selected roommate or friend complete this for you. 2) If you are unable to find someone to assist you with this, you must email the Office of Residential Education and Services from your MSU email account requesting a new time. Once your schedule is verified, the Office of Residential Education and Services will reassign you a new window of time. You must email this request no later than 4:00 pm on March 22, 2013.

Current Commuter Students
Roommate Pull in:
Current Commuter students can be pulled into a bed space by a current resident as long as they meet the criteria outlined within this packet. Students must have paid on time, and have the proper amount of credits for the different areas.

General Room Selection:
More information will be sent to commuters during March about the General Room Selection process.

Special Interest Living Communities Housing Information

FALL 2013-SPRING 2014

A number of Special Interest Living Communities will be offered for the 2013-2014 academic year. Below are brief

descriptions of the communities and the person or office, with email to contact, if you are interested in applying to the

community. All student interested must meet the criteria for specific buildings and must be eligible for housing.

College of Science and Math Living Community (CSAM)
For more information about living in the CSAM, please contact Dr. Jinan Jaber, **Associate Dean for Administrative
Affairs, College of Science and Mathematics at **jaberlins1@mail.montclair.edu*

Any student majoring in any of the disciplines in the department of Biology/Molecular Biology,
Chemistry/Biochemistry, Earth and Environmental Studies, Computer Science or Mathematics/Physics are eligible to
apply to be a part of this community housed on the 4th floors of Einstein Hall and Baseline Hall of The Heights. This
SILC is committed to creating an environment for residents that is conducive to learning and promoting personal,
intellectual, social and academic growth. The goals of the CSAM floor area: academic success, development of
community, and teamwork through social and educational activities. There will be meals with CSAM faculty,
opportunities to speak with guests, visiting lecturers, and field trips. If you are interested in living on the CSAM floor,
please complete the survey found online at https://surveys.montclair.edu/survey/entry.jsp?id=1357141183599.

Global Living Community (GLC)
For more information about living in the GLC, please contact Beth Calamia Scheckel with the Global Education Center at
calamiascheb@mail.montclair.edu

The Global Living Community (GLC) is a residential community of International and American students at MSU. Any
student with at least 50 credits, who is interested in learning about the traditions and customs of students from a variety
of countries, should think about applying to be a part of this living community in The Village at Little Falls. American
students in this program will be expected to assist in the transitional issues faced by international students (i.e. orientation
to campus life, Montclair, and its surrounding communities). In exchange, the international students will be expected to
share with the American students the customs and culture from their native lands. Consideration will be given to
American students who express interest in living with an international student of a specific culture or who speaks a
foreign language. Faculty/staff advisors to the GLC will be represented by the Office of International Services,
Counseling and Psychological Services, Foreign Language faculty and other relevant faculty and advisors possessing
intercultural living skill.

Honors Living Community (HLC)
For more information about living in the HLC, please contact Dr. Gregory Waters, **Coordinator of the Honors Living
Community and Professor of English at watersg@mail.montclair.edu

Any student who is an active member of the University's Honors Program is eligible. The HLC is designed to provide the
advantages of a small liberal arts college within the larger dynamic university community. The HLC provides a core
curriculum of seminars and elective courses that fulfill general education requirements, while working to establish a
lively and creative community for its students and faculty. The HLC will be housed on the 3rd floors of Barton and
Gordon Halls in The Heights, provides an environment that is intended to be conducive to learning and to promoting
personal, intellectual, social and academic growth. The goals of this residential community are to promote academic
success along with a sense of collaboration, discovery and teamwork through a number of social and educational
activities. There will be special opportunities for residential students to meet individually with Honors faculty, take
part in special seminars, dinners and lunches, and participate in off-campus concerts, lectures and field trips. If you are
interested in living on the Honors floor, please complete the survey found online at
https://surveys.montclair.edu/survey/entry.jsp?id=1357141183599.

Arts Interdisciplinary Living Community (AILC)
For more information about the AILC, please contact Dean Linda Davidson, Assistant Dean, College of the Arts, at
davidsonl@mail.montclair.edu

Comprised of students majoring in art & design, music, theatre, dance, broadcasting and/or communication studies, the
AILC occupies floors in the Freeman Residence Hall on the south end of the campus - just across from the Cali School of
Music and a few minutes’ walk from all of the college’s visual arts and performance facilities. But AILC is not just about
convenience. It is about students with creative and multidisciplinary interests living together, sharing their passions and
challenges, and discovering their common ground.
If you would like to apply to this learning community, please click here https://surveys.montclair.edu/survey/entry.jsp?id=1357141183599.

**Sophomore Success Special Interest Living Community (SSLC)**
Created for sophomore students with 24-36 or more credits, the Sophomore Success Living Community (SSLC) will allow students to share their sophomore year with peers in a highly intentional living environment. Residents will participate in an environment that fosters exploration of autonomy and self-significance as well as promoting growth and self-discovery. Residents will have the opportunity to serve as mentors to the first year residents. Topics such as career exploration, campus involvement, and leadership development will be the foundation of this community. This community will be in Einstein and Basilone Halls.

**Stonewall Suites: LGBT Living Learning Community**
Students residing in the Stonewall Living Learning Community will have the opportunity to enjoy a comfortable living and learning experience, where residents are placed without consideration of biological sex, gender identity/expression, or sexual orientation. This community seeks to connect students interested in supporting and educating themselves and their community about the lesbian, gay, bisexual, and transgender questioning/queer/ally community. Students living in this community will work to connect the theory they learn in the classroom with opportunities for student involvement through Residential Education and Services and the LGBT Center. Stonewall Suites is housed in Hawk Crossings. If you are interested in living in stonewall suites please complete the survey found online at https://surveys.montclair.edu/survey/entry.jsp?id=1359489102496.

**The Language Immersion Community**
The Language Immersion Community offers you the exciting opportunity of living in a residence hall on campus while experiencing the richness of the French, Italian, Spanish and German language and their respective cultures. Those of you who select this community will eat, breathe, and experience residence life at MSU in one of these four languages. You will have the opportunity to converse with others in French, Italian, Spanish or German, to develop fluency and vocabulary, and to participate in cultural and social activities related to the language that you have selected. Residence life is always an adventure, but living it “en français,” “italiano,” “en español” or “auf Deutsch” adds another dimension to this experience. The LIC will be housed in Parker Hall in The Heights.

**Business Living-Learning Community: Provides Students with a Business Advantage**
If you are a School of Business student and want to take the first step in ensuring success in your career, then the Business Living-Learning Community (BLLC) is for you. The BLLC provides School of Business students the opportunity to participate in various experiential learning and community activities with faculty, staff, and business representatives of interest to business students. The BLLC is a great way for residential students to connect with other students with similar interests and/or majors, support each other inside and outside the classroom, and build lasting friendships from living and taking classes together.

Students living in this community can expect an environment that focuses on exploring the different majors and careers associated with the business world. Students can expect activities that promote academic success, such as math tutoring and review sessions with faculty members. For freshman students, the BLLC provides an increased ability to cope with first year challenges, allowing for a more successful transition to demanding upper level coursework.

The Business Living-Learning Community is in Blanton Hall. For more information about living in the Business Living Learning Community, please contact Maureen Branca, School of Business at brancam@mail.montclair.edu or the Office of Residential Education & Services resed@mail.montclair.edu.

If you are interested in living on the business floor please complete the survey found online at https://surveys.montclair.edu/survey/entry.jsp?id=1357141183599.
The Sustainability Living-Learning Community
In the Sustainability Living-Learning Community, you can make friends while exploring sustainability from various perspectives, including: social, economic justice, environmental, emotional, physical, and spiritual. This living-learning community allows students to focus on building environmentally responsible practices across campus and in our local and global communities by discussing issues, planning and implementing initiatives, and, of course, having fun. Students promote recycling, water and energy conservation, meditation, and healthy living habits. At MSU, the Sustainability Living-Learning Community prepares students to be powerful agents of change for our natural environment here and into the future.

Special Interest Housing sign up: All students approved to live in one of our Special Interest housing areas will receive an email with instructions about room selection. Some students will be able to self-assign themselves into a bed space. To apply for any of these communities students must complete the survey found on the Residential Education and Services website at www.montclair.edu/resed by February 28, 2013. Your name will then be submitted to the coordinator of that Living Learning Community for approval. You will receive an email from the Residential Education and Services office by March 19, 2013 on the status of your application. If you have been approved for a learning community, you will be given a specific date and time to access the RMS System. You can only pull in other students that have been approved to live in that Living Learning Community. If you are not approved for this community you will also be notified of so that you can take part in the General Room Selection process.
HOUSING CHECK LIST: THINGS TO DO PRIOR TO SIGN-UPS FALL 2013-SPRING 2014

□ STEP 1: Read the Room Selection packet, Annual Residence License and Dining Services Agreement and mark important dates on my calendar. All of this information can be found at http://www.montclair.edu/residential-education/

□ STEP 2: Pay my $300 non-refundable housing application fee for the 2013-2014 academic year. Priority deadline is March 7, 2013 by 6:00 pm to the Student Accounts Office. Students may also pay their housing application fee via WESS utilizing a credit card or Echeck.

□ STEP 3: Make sure there are no holds placed against my student record and account. Please note academic holds such as academic probation, do not prevent a student from selecting a bed space. Review my WESS account for any financial holds. Settle any outstanding obligations to be sure I am eligible to live where I would prefer.

Step 4: When notified via email log in to the RMS system and electronically sign the Residence License and Dining Services Agreement. (You will not be able to select or be pulled in if you do not complete this prior to March 25, 2013.)

□ STEP 5: Review my student conduct status to be sure I am eligible to live where I would prefer.

□ STEP 6: Decide with whom I wish to live and collect the information requested below for each person. Make sure each person is eligible to sign up for your requested space(s). Determine which person will sign you and your roommate(s) up for your bed spaces. For Meal Plan information, please visit: http://www.montclair.edu/pages/diningservices/plans.html.

□ STEP 7: Visit the Residential Education and Services website at www.montclair.edu/resed to thoroughly review the process so that I will have time to address any questions that I may have.

□ STEP 8: Review your MSU email during the week of March 18th to find out your assignment time if you are not retaining your space in The Village or Hawk Crossings.

□ STEP 9: At your assigned time, log in to the RMS system and select your housing assignment for the 2013-2014 academic year.
