

FIRST-YEAR STUDENTS

welcome to the start of something exceptional.

**Montclair State University**  
IT'S ALL HERE.

# CONGRATULATIONS!

WE LOOK FORWARD TO SEEING YOU ON CAMPUS.

## WELCOME TO MONTCLAIR STATE UNIVERSITY!

Of the more than 20,000 students who will submit applications this year, you have been invited to join a community of scholars — past and present — who call Montclair State home.

As the Vice President for Student Development and Campus Life, I am proud to welcome you to Red Hawk Country. Use this packet to help navigate the different forms and procedures you will need to complete along the way. It is also a starting point from which to go out and explore the wide array of clubs, organizations, campus support services, and living and learning facilities that make this campus come alive.

As you read through the pages that follow and learn what it really means to become a Montclair State student, I hope you'll begin to feel our Red Hawk pride. Capture that emotion and let it carry you through these mundane (but very important) tasks, like completing your financial aid forms or submitting your immunization records. Let your Red Hawk pride continue to grow as you learn more about Montclair State University, and know that we can't wait to welcome you to your new home.

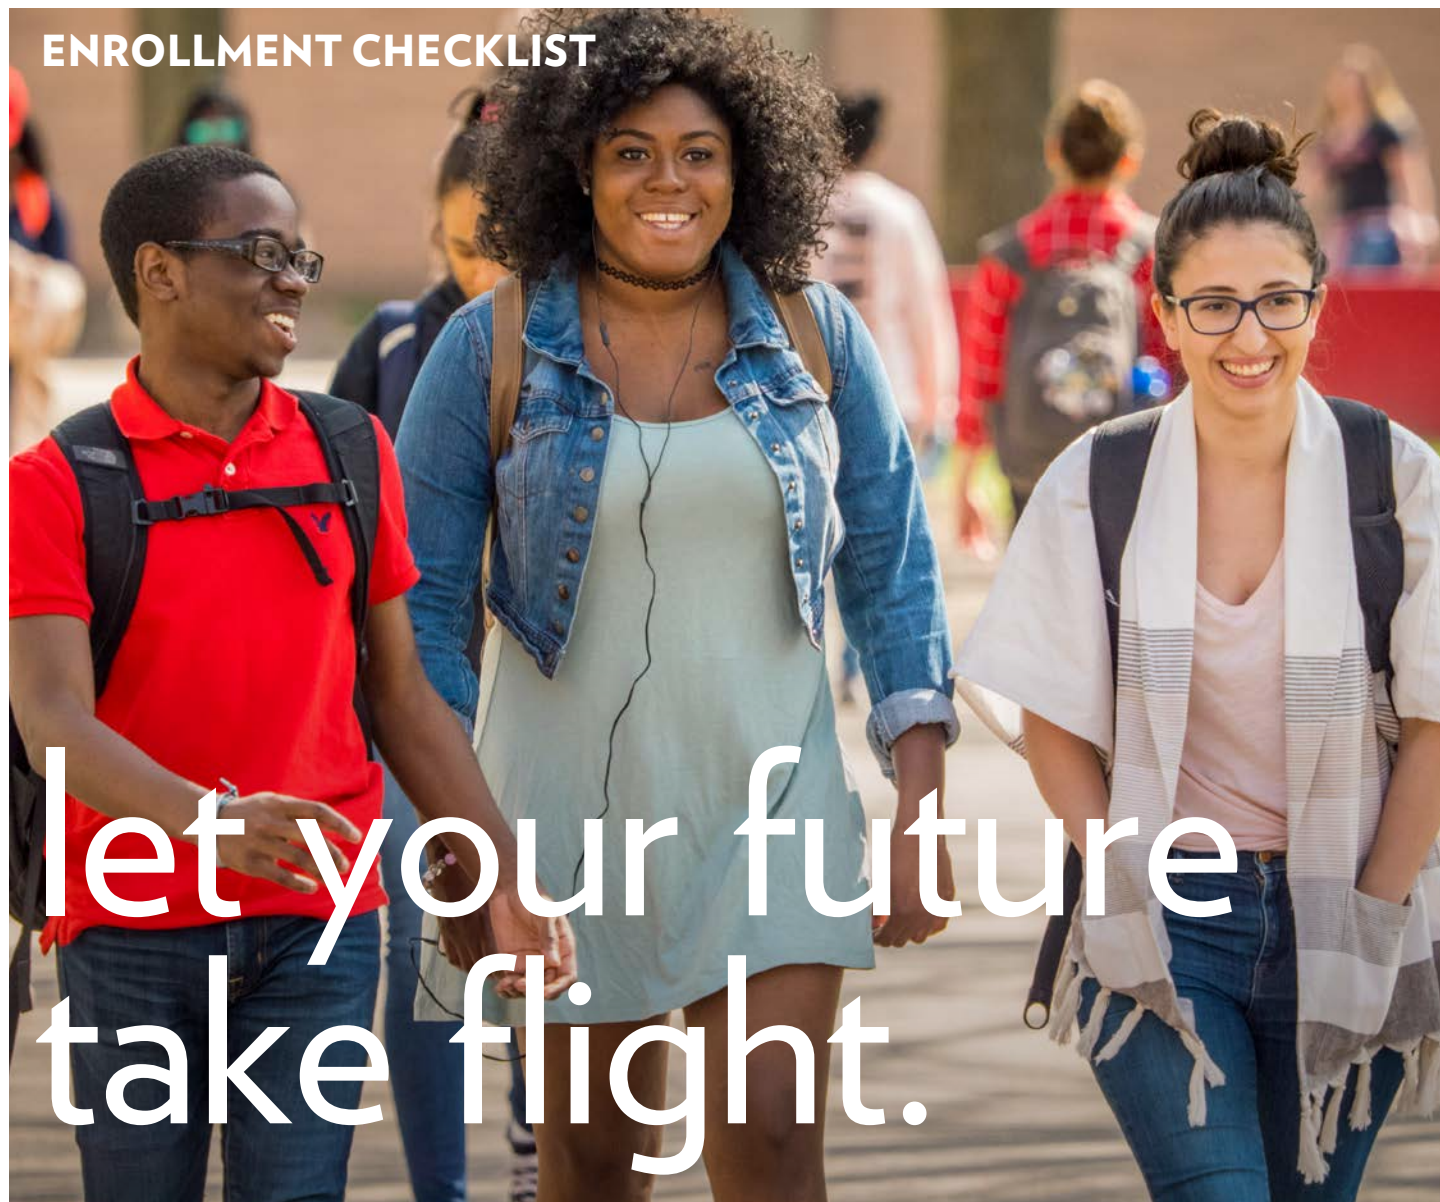

Karen L. Pennington, PhD

*Vice President for Student Development and Campus Life*

## ENROLLMENT CHECKLIST

# let your future take flight.

**GETTING STARTED** — To help you navigate the enrollment process, we've prepared the following checklist:

### ❑ 1. KNOW YOUR CAMPUS-WIDE ID (CWID) AND PIN

Your Campus-Wide ID (CWID) and PIN are your keys to becoming a Montclair State student. These were assigned to you when you were accepted to the University. You will find your CWID and PIN in your acceptance letter. You will use the CWID and PIN to take the next step: submitting your New Student Deposit. If you misplace your CWID and PIN, please contact the Office of Undergraduate Admissions at **973-655-4444** or **msuadm@mail.montclair.edu** for assistance.

### ❑ 2. LET US KNOW YOU'RE COMMITTING TO MONTCLAIR STATE

To reserve your place at Montclair State, simply submit your **New Student Deposit\*** payment online at **montclair.edu/admissions/deposit**.

If you are planning to live on campus, you may also submit your **Housing Deposit\*** at this time. Once your New Student Deposit and Housing Deposit are processed, you may complete the online **Housing Application** in mid-April. Go to **montclair.edu/residence-life** and select "Housing Assignments" from the top navigation tabs to access the application.

*\*May 1, 2017, is the final deadline for the New Student Deposit and Housing Deposit. The New Student Deposit and Housing Deposit are non-refundable.*

Montclair State is one of the country's top 30 LGBTQ-friendly colleges and universities, noted for its "Best of the Best" LGBTQ-friendly policies, programs and practices, according to Campus Pride.

### ❑ 3. OBTAIN YOUR NetID

Your NetID is your Montclair State email account login ID and your ID for other web-based University systems. You will receive an email with instructions once your New Student Deposit is processed. Establish (claim) your NetID by visiting **netid.montclair.edu**. Please note, your NetID cannot be claimed until you submit your New Student Deposit.

### ❑ 4. COMPLETE MANDATORY HEALTH REQUIREMENTS

The University Health Center — **montclair.edu/university-health-center** — oversees all mandatory health requirements for student enrollment. As part of your enrollment at Montclair State, you will need to:

- Download and print the immunization forms from the University Health Center website: **montclair.edu/university-health-center/immunizations**.
- Have your health care provider complete and sign the forms. (Records from your high school or another university may be submitted in place of these forms.)
- Enter your immunization record information from the forms into the online **My Health** application at **montclair.edu/university-health-center/my-health** and click submit.
- MAIL THE COMPLETED AND SIGNED FORMS TO:

Montclair State University Health Center Immunization Program  
1 Normal Avenue, Blanton Hall  
Montclair, NJ 07043

Students are not compliant until the immunization record information is submitted online, the actual forms are received by the University Health Center and the information is validated.

- Assure adequate health insurance coverage. All full-time Montclair State students are required to have health insurance coverage. Montclair State will automatically enroll you in the **Student Health Insurance Plan** provided through the University. If you have private health insurance coverage, you must waive this enrollment by showing proof of other insurance. You can **waive the enrollment and health insurance premium fee** by going to **firststudent.com** and completing the waiver process. Details about the Montclair State University Student Health Insurance Plan can be found at **firststudent.com**, **montclair.edu/university-health-center** or **montclair.edu/student-accounts**.

To get started, visit **montclair.edu/admissions/accepted**

## ENROLLMENT CHECKLIST

### 5. REGISTER FOR PLACEMENT TESTING

All first-year students need to complete the appropriate placement testing — or receive exemption — prior to registering for coursework. Taking the **Montclair State University Placement Test (MSUPT)** allows us to assess your current level of academic preparedness. Montclair State administers the Accuplacer for a placement test in reading and mathematics. Students whose majors require General Chemistry I must also take the Chemistry Readiness Test.

Complete and submit the online **Placement Test Reply Form** found at [montclair.edu/academic-assessment](http://montclair.edu/academic-assessment). From this page, click the “Assessment & Testing” tab in the left navigation to review the criteria and policy for testing (or exemption from testing) and to complete and submit the form. It is important to note that if, after taking the reading portion of the MSUPT, it is determined that you need further remediation, you will have to complete the required remedial reading course. The remedial reading course must be taken in the summer prior to fall entry or the winter prior to spring entry. Students who are required to complete the remedial reading course will not be able to enroll in classes until the class is completed. More information about our reading remediation policy can be found on the academic assessment website listed above. This supports your best start possible at Montclair State.

Incoming first-year students may also need to take a foreign language placement test. Visit [flp.montclair.edu](http://flp.montclair.edu) to view the requirements and register for the placement test, if required.

### 6. ATTEND ORIENTATION

The Office of Academic Success and Retention Programs (ASRP) coordinates all of Montclair State’s orientation programs. All new students must attend a MANDATORY orientation session. Register for the orientation experience designed to support your introduction to the University.

All incoming **first-year students** must register for the Montclair State Orientation Experience. Go to [montclair.edu/undergraduate-orientation](http://montclair.edu/undergraduate-orientation) to register online. For more information, please call the Office of Academic Success and Retention Programs at 973-655-4162.

**Educational Opportunity Fund (EOF)** scholars go to: [montclair.edu/eof](http://montclair.edu/eof) to register online.

All incoming **adult students** should contact the Office of ASRP at 973-655-4162 for orientation information and next steps.

### 7. SUBMIT YOUR FINAL TRANSCRIPTS

Your final high school transcripts (with graduation date) and AP and CLEP scores must be sent to the Office of Undergraduate Admissions.

**PLEASE SUBMIT YOUR FINAL TRANSCRIPTS TO:** Montclair State University  
Office of Undergraduate Admissions  
1 Normal Avenue  
Montclair, NJ 07043

### 8. PAY YOUR STUDENT ACCOUNT

Montclair State University offers a variety of tuition payment options to suit your needs.

Please visit the payment options web page at [montclair.edu/student-accounts/payment-information/payment-options](http://montclair.edu/student-accounts/payment-information/payment-options) for full details about when bills are generated and how payment can be made.

### 9. ATTEND AN ACCEPTED STUDENT DAY

April 2, 2017 or April 9, 2017

Registration information will be available in March.

### 10. ‘LIKE’ AND FOLLOW THE CLASS OF 2021

[f/montclair2021](https://www.facebook.com/montclair2021) [@montclair2021](https://twitter.com/montclair2021)

Our course offerings are as unique as you are. With over 300 majors, minors and concentrations to choose from, you can study the things you really care about from the environment to the arts.

Montclair State’s **First-Year Writing Program** is one of 30 in the U.S. that has received a Certificate of Excellence award from the National Council of Teachers of English.

The Heights is home to 2,000 students who live in luxurious suites with private bathrooms.

Students who live on campus are more likely to finish their degrees in four years.

# make our housing your home.

## AT MONTCLAIR STATE, COLLEGE LIFE IS MORE THAN A CLASSROOM EXPERIENCE.

Our vibrant residence halls, ranging from traditional double and triple rooms to apartment-style living for upperclassmen, allow you to experience the cultural, recreational and social programs — including easy access to New York City — that will help you grow as a person and make your mark on Red Hawk Country. You will have the option to join a Special Interest Living Community (SILC). They’re designed to provide an all-encompassing university experience by grouping you with other students who share your special interest.

First-year students\* who complete the required enrollment steps and submit their deposits by the deadlines below will be guaranteed a space. To secure your space in a Montclair State residence hall, the following steps are required for your housing application to be considered complete:

- 1) Submit the online, non-refundable New Student Deposit by May 1, 2017.
- 2) Submit the \$300 non-refundable Housing Deposit by May 1, 2017.
- 3) Complete the Residence License and Dining Agreement and Housing Preferences survey by June 1, 2017. Go to [montclair.edu/residence-life](http://montclair.edu/residence-life) and click on “Housing Assignments” from the top navigation tab to access the online application.  
Note: This survey will become available in mid-April.

*\*Housing for new students entering in the spring is subject to availability.*

# eating well means doing well.

**THE VENTURE CAFÉ AT THE FELICIANO SCHOOL OF BUSINESS**

Salads, sandwiches or wraps — this new dining venue lets you create your meal, your way. Many items are locally sourced. Also enjoy fresh bakery selections, hot soup, premium coffee and more.

**OPPORTUNITES FOR COMMUTER STUDENTS**

The many students who commute to Montclair State University are as much a part of our community as those who live here. As a commuter, you can take advantage of every opportunity by checking out CARS — Commuter Association Resources and Services — a student organization created just for students who commute to campus.

**PARKING FOR COMMUTER STUDENTS**

The Office of Parking Services at Montclair State manages all campus parking and transportation activities. First-year students who commute to campus may apply for a permit to park in the designated surface lots on campus or the CarParc Diem parking deck. With room for 1,530 cars, CarParc Diem is a great option for commuters. Alternately, on a first-come, first-served basis, you may purchase a permit to park in the Red Hawk Deck.

Get the Parker App — find open spaces before you get to campus!

No wheels? No problem! Montclair State has partnered with Zipcar, the world's leading car-sharing service, to provide self-service, on-demand car sharing for the campus community.

For more information about campus parking, visit [montclair.edu/parking](http://montclair.edu/parking)

**USING MASS TRANSIT**

Heading into New York City to see a show, visit a museum or even take part in an exciting internship opportunity? With both the Montclair Heights and Montclair State University NJ Transit train stations serving the campus, it's easy to get in and out of the city in less than an hour.

Montclair State is also easily accessible by bus. Both the NJ Transit and DeCamp bus lines serve the campus for convenient, eco-friendly commuting.

The regular service and easy connections of rail and bus public transportation options are ideal for freshman resident students who are not permitted to have cars on campus.

Ranked one of America's greenest campuses by *Sierra* magazine and The Princeton Review's *Guide to 353 Green Colleges*, Montclair State is committed to sustainability.

Many residence halls boast views of the New York City skyline.

soar  
like a  
red hawk.

Joining a new community is an exciting adventure! Becoming a Red Hawk will be an unforgettable opportunity for your personal and academic growth. While college is about furthering your education in your classes, you'll learn even more about yourself by making the most of all the resources that Montclair State has to offer.

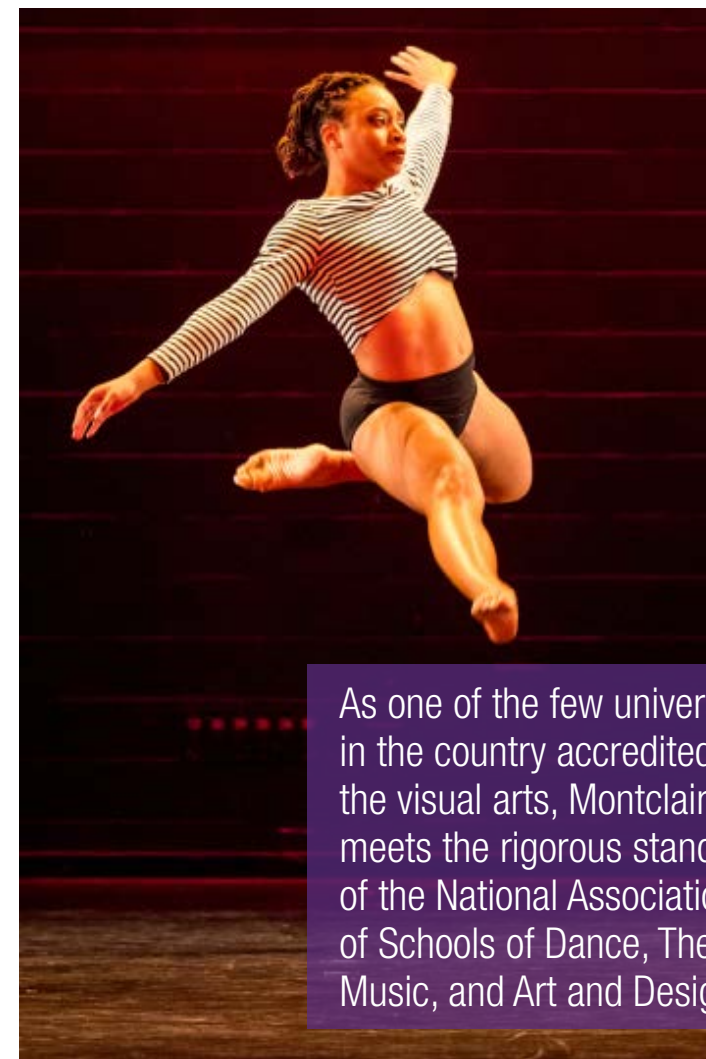

#### CAREER SERVICES

The University's Center for Career Services and Cooperative Education will assist you at every stage of the process of career development — from interest testing to locating potential employers in your field to preparing you for interviews. What's more, each college and school has its own career services counselors so you'll receive expert advice and guidance specific to your discipline and field.

#### HONORS PROGRAM

Students accepted into the Honors Program have an opportunity to work with distinguished faculty on advanced curricular, extracurricular and individual projects. They are exposed to greater opportunities for achievement, recognition and leadership not only as undergraduates, but also in the years that follow. Montclair State's Honors Program has produced graduates who have succeeded in every field or endeavor, including alumni who have received doctorates from Temple, Yale and New York University. Others have gone on to receive medical degrees. They are members of "Big Four" accounting firms, art scholars, writers, musicians, illustrators, social workers, business leaders, researchers and master teachers.

Montclair State was named to the President's Higher Education Community Service Honor Roll — the highest federal recognition a college or university can receive — for its commitment to volunteering, service-learning and civic engagement.

As one of the few universities in the country accredited in all the visual arts, Montclair State meets the rigorous standards of the National Associations of Schools of Dance, Theatre, Music, and Art and Design.

you'll be part  
of something  
special.

#### GET INVOLVED

More than 120 student organizations and a wonderfully diverse campus community add up to the total college experience.

Montclair State University's Center for Student Involvement (CSI) provides clubs, organizations, activities and events — from intramural sports to cultural and religious groups, volunteer organizations and student government. Whether you're interested in accounting or fencing, fashion or Greek life, there's a club for you at Montclair State!

See what's happening on campus today at [montclair.edu/csi](http://montclair.edu/csi)

# the world is your classroom.

College is the ideal time to explore the world. With more than 200 different study-abroad programs, you can travel and study in more than 60 countries. The benefits of studying abroad are limitless, but here are a few:

## PERSONAL ENRICHMENT

When you travel to places new and exciting, you enhance your sense of independence and self confidence, and experience profound personal growth.

## CULTURAL AWARENESS

Fully experiencing a new culture is a wonderful way to learn about people, values and traditions. When you study abroad, you gain not only an appreciation for your host country, but a fresh understanding and appreciation for your own.

## ACADEMIC CREDIT

By studying abroad, you can complement your studies with new and different courses that can still count for full credit with departmental approval.

## LANGUAGE IMMERSION

Depending on where you study, you may have the opportunity for 24/7 language immersion. Whether for personal enjoyment or to fulfill an academic requirement, immersion is the best way to learn or improve your skills in a new language.

## PROFESSIONAL EDGE

Today's market is often driven by international business and globalization. Navigating diversity is an important characteristic to possess, and there is no better way to demonstrate cross-cultural knowledge than from a study-abroad experience. This is a terrific way to expand your career choices and develop a global resume.

## AFFORDABILITY

Studying abroad doesn't always cost more than studying at Montclair State. In fact, many programs charge Montclair State tuition. If you already qualify for financial aid, in most cases, you may apply some or all of it to your study-abroad experience.

For more information about study abroad, visit

# you're on your way.

You'll take your first flight as a Red Hawk at orientation. It's mandatory, but it's fun!

As a Montclair State first-year student, you'll attend orientation to learn what being a Red Hawk is all about. You'll learn about University policies and procedures, participate in informative activities and receive your course schedule.

**REGISTER ONLINE AT**  
[montclair.edu/undergraduate-orientation](http://montclair.edu/undergraduate-orientation)

This is a three-part series which includes:

- The Red Hawk 411 — an on-campus program
- How to be a Red Hawk — an online program
- Red Hawk Day — an opening-day event

## INCOMING ADULT LEARNERS

You will attend a mandatory orientation with the Office of Academic Success and Retention Programs. Call 973-655-4162 to register.

# financial aid is part of the program.

More than 75 percent of Montclair State University students receive some form of grants, loans and/or scholarships.

We know that financing your education can be a primary concern. That's why we're proud that Montclair State is able to provide a quality education at an affordable price. A number of financial aid options — including loans, scholarships, grants and work-study programs — are available to help pay for your Montclair State education. It's easy to apply for financial aid — just complete and submit the **Free Application for Federal Student Aid (FAFSA)** by March 15, 2017, or update your FAFSA to include Montclair State.

Visit [montclair.edu/financial-aid](http://montclair.edu/financial-aid) for information on the application process.

## CALCULATE YOUR COSTS

Trying to get a handle on exactly how much college is going to cost? Check out our **Net Price Calculator**. It's easy — simply enter the details of when you plan to attend, the number of credit hours you will take, where you will live and the financial awards you expect to receive. Then let the calculator do the rest. It can also direct you to other sources of financial aid and student loans.

Learn more at [montclair.edu/financial-aid](http://montclair.edu/financial-aid)

The Office of Student Financial Aid is here to help. If you have any questions, call, email or stop by. We're here to guide you through the process of applying for financial aid.

## 5 THINGS YOU NEED TO KNOW ABOUT FINANCIAL AID:

### 1. YOU'LL NEVER KNOW IF YOU'RE ELIGIBLE FOR FINANCIAL AID UNLESS YOU APPLY!

Fill out the FAFSA at [fafsa.ed.gov](http://fafsa.ed.gov) to see if you qualify for federal aid. Check back 48 hours after you complete the form to make sure it processed completely.

### 2. YOU MAY BE ELIGIBLE FOR STATE AID.

After you complete the FAFSA, you'll receive a confirmation page with a link to a form that will help the State of New Jersey determine if you're eligible for additional aid. Missed the form? You can visit [hesaa.org](http://hesaa.org) five business days after you complete the FAFSA to find and complete the state form.

### 3. CHECK YOUR MONTCLAIR STATE ACCOUNTS OFTEN.

Your Montclair State email and student accounts will contain a wealth of information about your financial aid package. If you don't check these accounts regularly, you may miss important information that could delay your financial aid disbursement. Most of the tasks related to financial aid need to be completed over the summer months — log on regularly to see if anything is waiting for you.

### 4. DON'T DELAY.

If you are alerted that more information is needed, be sure to submit the additional paperwork as soon as possible. The sooner we hear from you, the sooner we can get you your financial award information. If you have questions about financial aid, call or email [financialaid@mail.montclair.edu](mailto:financialaid@mail.montclair.edu) now.

### 5. MAKE A PLAN.

Financial aid helps pay your bills, but in many cases it won't cover all costs. To get your plan started, log in to your student account and review the estimated cost of attendance. (This is an estimate — not your actual bill.) Then, review your payment options. You can set up a payment plan with the Office of Student Accounts or pursue private loans to cover any differences. Should you seek a private loan, remember that they can take six to eight weeks to process.

A college degree is a great investment. Employees with bachelor's degrees make \$1 million more than high school graduates over the course of their lifetime, according to U.S. Census Bureau estimates.

## CLERY SAFETY POLICY AND CAMPUS FIRE SAFETY ACTS

In accordance with federal legislation, specifically the **Jeanne Clery Disclosure of Campus Safety Policies and Campus Crime Statistics Act**, this notification is to advise you, as an incoming member of the Montclair State community, that the following information is available for review and has been submitted to the U.S. Department of Education:

- Campus Policies related to programs, services and reporting methods to enhance your safety at Montclair State University.
- Crime Statistics disclosures for the current and past two years may be found at [montclair.edu/montclair-state-university-police-department](http://montclair.edu/montclair-state-university-police-department). Click "Jeanne Clery Act/Crime Statistics" from the left navigation. You can download and print a PDF version of this information from this site as well.
- In addition, the University is required to report fire statistics in cooperation with the Federal Campus Fire Right to Know Act. The statistics may be found at [montclair.edu/facilities/fire-safety](http://montclair.edu/facilities/fire-safety). Click "Right to Know Act" from the left navigation. You can download and print a PDF version of this information from this site as well.

If you have questions related to the safety policies, statistics or coordination of disclosure, or need a paper copy of these policies and statistics, please contact University Police at **973-655-7440** or [msupolice@mail.montclair.edu](mailto:msupolice@mail.montclair.edu).

Traditions build memories that last a lifetime. You'll make your own traditions — whether taking coffee breaks with friends while studying, cheering the Red Hawks on at the Homecoming game or celebrating the end of fall semester finals with a snowball fight in the Quad. You'll also make memories with time-honored Montclair State traditions.

**RED HAWK FRENZY**

Red Hawk Frenzy kicks off the fall semester with a month of events designed to help everyone — especially first-year students — meet new people, connect to the campus and have fun. Most events are free, although some have a small cost. Red Hawk Day is a day of exciting activities ranging from College Olympics to a Student Organization Fair. Other Red Hawk Frenzy events include first-run movie screenings, trips to places like Hershey Park, Madame Tussauds Wax Museum and more.

**HOMECOMING**

Fall just wouldn't be the same without our annual Homecoming festivities, when Red Hawks from all over the state and country come home to celebrate with current students. Each year, students from fraternities, sororities and student organizations battle it out in the Amphitheater with skits and group dances for the bragging rights that come from campus-wide recognition. Students, alumni, families and friends of the University enjoy a day of food, fun and entertainment that's capped off by cheering the football team to victory at Sprague Field.

**WORLD'S FAIR DAY**

Every spring, the campus community celebrates diversity on World's Fair Day. Students from cultural clubs and organizations dress in the clothing of the cultures and countries they represent, while everyone enjoys food from around the world, performances, artistic displays and more at this multicultural extravaganza.

you'll have all the support you need.

When you speak to a campus representative, take down some notes. Be sure to get the name of the person you're speaking with and write down important information like the date and time of your call for easy reference.

A scenic view of a university campus. In the foreground, a large, mature tree with green and yellowing leaves stands on a grassy lawn. To the left, a modern white building with large windows and a red-tiled roof is visible. In the background, a long, white, arched walkway or bridge spans across the scene, surrounded by more trees and greenery. The sky is clear and blue.
