Know a senior who's ready to soar?

Help them discover what it means to be part of Red Hawk Country — a place built for bold thinkers, big dreamers and students ready to make an impact. From hands-on learning to endless opportunities just a short train ride from NYC, Montclair State University is where potential takes flight.

Show them what's waiting at Montclair

- **Explore Montclair:** Campus Tours on weekdays and select Saturdays, Self-Guided Tour Maps, and Virtual Experiences make it easy for students to picture themselves at Montclair.
- **Connect to the Red Hawk Community:** On the ZeeMee app, students can chat with others, find roommates, join live events, and start making friends.
- **Learn More at a Webinar:** Students and families can join live sessions on applying, financial aid, campus life, and next steps—available in English and Spanish.
