6 Alumni Share Secrets of Success

Whether engaged in business, the arts, journalism or starting their own company, Montclair State University graduates are well-prepared for success. Talent, desire and a drive to excel are all common characteristics of successful people and together with hard work, perseverance and sometimes a bit of luck, good things can happen. making process. An easy way to prepare our thank you is to ask during the interview, "What qualities will the successful candidate possess?" The employer's answer is critical intelligence. If we possess said qualities, reflect on them in the thank you letter. Be sure to send your thank you within 24-48 hours after the interview and don't attach the thank you, rather, place it in the body of your email. If you interviewed with more than one person, send an individual thank you email to each.

Spring Cleaning with Safety in Mind

A message from Liberty Mutual

Cabin fever is bad, but worse things can come of unsafe spring cleaning. Here are some tips to get out with the old and in with the new without any mishaps. From smoke detectors to lead paint, here are some tips for a safe spring.
