Three Montclair State stories got top billing in this issue, including a feature on first-generation college students, the University's new MIX Innovation Lab and Professor Elizabeth Emery's National Endowment of the Humanities award.

Career Corner

Adam Mayer, Director of Career Development

Salary negotiations are rarely a fun event. Conducting research is paramount. Use resources like the [Occupational Outlook Handbook](#) and [salary.com](#) to gather your numbers and mock interview possible scenarios. You are looking to leverage your accomplishments and skills, so be sure to be able to qualify and quantify your work. Keep in mind, too, if salary is non-negotiable try to wager work-from-home-days or other perks that might make your life easier. As the saying goes, everything is negotiable.

Springtime Outdoor Safety and Maintenance Tips

A message from Liberty Mutual

Before you can fully enjoy spring, you may need to clean up some of the damage caused by winter. Whether it's checking your roof for rot or fertilizing your lawn, there are number of things you can do to prepare your house for the pleasant days ahead. Here are seven spring home maintenance tasks to consider.
