

Charles E. Hadley Memorial Fund for Independent Student Research Application

Purpose: The Hadley Fund provides grants for undergraduate students who have displayed both excellence of work and need for financial assistance to complete their research and independent study projects in Biology.

Eligibility: Demonstration of academic excellence and financial need.

Amount: Varies; to be applied to tuition and fees for the following academic year.

Application Deadline: Applications will be considered beginning March 1. Submit materials to HazardL@montclair.edu.
