## About the Programs

**The Summer Literacy Program** is designed to meet the individual needs of students experiencing literacy difficulties or those seeking enrichment.

- Tailored instruction to address accelerated learning and enrichment following the COVID-19 pandemic
- Instruction is delivered by certified teachers in the process of completing their Reading Specialist Certification
- Supervised by faculty of the Graduate Program in Literacy

**The epiSTEMic Program** for Teaching and Learning provides enrichment and hands-on STEM instruction to K-12 students in an inclusive setting.

- Provides enrichment experiences in science, technology, engineering and math (STEM)
- Designed to create opportunities for on-going enrichment of future STEM-ists
- Prepares students to succeed in STEM fields
