

## How to get to the Center for Clinical Services

147 Clove Road  
Little Falls NJ, 07424

### University Shuttles:

The Center for Clinical Services is located directly in front of the bus stop for Lot 60, which can be accessed by University Shuttles if coming from campus. The following are Shuttle routes that stop at lot 60:

- Route A
- Route T
- Route V/T

If using the Shuttle bus, feel free to utilize “Nextbus”, which will alert you when to expect the arrival of the next shuttle at your stop.

### Train:

The Montclair State University NJ Transit train station on Clove Road and the Montclair Heights Station on Normal Avenue, provide rail service to New York City and the following New Jersey municipalities along the [Montclair-Boonton line](#): Hackettstown, Netcong, Mount Olive, Lake Hopatcong, Dover, Denville, Mountain Lakes, Boonton, Towaco, Lincoln Park, Wayne, Little Falls, Montclair, Bloomfield, Glen Ridge, Newark (Broad St.), and Hoboken. In addition, through the Secaucus Junction transfer station, there is access to the [Northeast Corridor](#), [North Jersey Coastline](#), [Main and Bergen](#), and [Pascack Valley Lines](#). We encourage members of the community to explore rail use to and from the University as a viable travel option. For additional information, please check NJ Transit’s [train schedules](#).

From the Montclair State University Train station, it’s a short 5 minute walk down Clove road to get to the CCS. From the Montclair Heights Station, you can use ride share options directly to the center, or utilize the campus shuttle system. If you choose to utilize the Campus shuttle system, please note you will need to transfer shuttles. Routes R or H pick up from the Montclair Heights station, and from there you would need to switch routes to any of the three different shuttles that travel to lot 60.

### NJtransit Bus:

NJ Transit Bus No. [11/28](#) serves the University, originating at the Bloomfield Ave. station, and also serves Wayne, the Willowbrook Mall Park and Ride, Little Falls, Cedar Grove, Verona, Montclair, Glen Ridge, and Bloomfield.

NJ Transit Bus No. [191](#) serves the University bus stop at the Red Hawk Deck and the Montclair Heights train station, making stops between New York’s Port Authority Bus Terminal and Willowbrook.

NJ Transit Bus No. [705](#) originates at Main Street and Passaic Avenue in Passaic and travels through Clifton to Montclair State University. From the west, NJ Transit Bus No. [705](#) originates at Willowbrook Mall and travels to Montclair State University.

For additional bus schedule information, visit [NJ Transit](#).

DeCamp Bus No. 66 leaves from New York's Port Authority Bus Terminal and select runs stop on campus at the Red Hawk Deck on weekdays. [Check the Decamp bus schedule](#).

Once getting off of any NJTransit bus at the Red Hawk deck, you can utilize the University shuttle system to travel to lot 60, utilizing either route A, T, or V/T. You may also use ride sharing apps like Lyft or Uber.
