Important Notes and Deadlines

Valid American Red Cross First Aid Card

Date Completed:

See Dr. Scrabis-Fletcher in Exercise Science and Physical Education Department for more information.

Physiology and Hygiene Requirement - *Deadline: By Clinical II Audit Deadline (see below)*

Date Completed:

The New Jersey Department of Education has a Physiology and Hygiene requirement for teaching certification candidates. This requirement can be satisfied by completing appropriate coursework or by passing the Health Knowledge Test available at the Center of Pedagogy. ***Health and PE students satisfy this requirement with major coursework (HLTH 208 or HLTH 222). No further coursework or test is required.***

Substitute Teaching License Requirement - *Deadline: 3 months after earning 60 credits*

Date Completed:

Students are required to have a New Jersey Substitute Teaching License before starting the Professional Sequence. You are eligible to obtain a Substitute Teaching License once you have earned 60 credits. Students are advised to start this process as soon as possible as it can take up to 6-8 weeks to complete. Consult Canvas or TEP Advisor for more information.

Clinical Practice I & II Application - *Deadline: March 1st for Fall Clin. Pract. / Oct. 1st for Spring Clin. Pract.*

Date Completed:

Students must complete the Clinical Practice I & II Application the semester before they plan to start Clinical I. The application is an online survey that informs the Office of Clinical Internships that you are ready to start your Clinical year and prompts them to initiate the placement process.

Clinical Practice I & II Audit - *Deadline: July 15th for Fall Clinical Practice / December 15th for Spring Clinical Practice*

The Office of Teacher Education Advisement and Retention will conduct an audit to verify your eligibility once you submit your application for Clinical Practice. You can expect to receive formal notification from the Center of Pedagogy regarding your audit results.

Praxis Subject Assessment - *Deadline: By Clinical II Practice Audit Deadline (see below)*

Date Completed:

The New Jersey Department of Education requires all candidates to achieve a minimum score on the Praxis Subject Assessment. Information regarding which test to register for and how to register is available on www.ets.org/praxis. Students are urged to take the required Praxis test as early as possible and report passing and non-passing scores to the Center of Pedagogy.

edTPA - *Deadline: Completed during Clinical Practice II*

Date Completed:

All candidates seeking initial teaching certification in New Jersey are required to complete the edTPA in order to become certified. The edTPA is a performance-based assessment that asks candidates to demonstrate their understanding of how to plan for instruction, implement instruction, and assess instruction.

Clinical I Eligibility: *The following requirements must be met by the Clinical Audit Deadline*

Full Admission to Teacher Education Program *(All Provisions must be met if applicable)*

3.0 or higher Overall and Major GPA

B- or better in all Professional Sequence Courses

B- or better in departmental Methods course(s)

On track to complete all coursework prior to Clinical II

Substitute Teaching License - Emailed to clinicalinternships@montclair.edu

Mantoux (TB) Test - Results emailed to clinicalinternships@montclair.edu *(Consult Canvas for more information)*

Clinical II Eligibility: *The following requirements must be met by the Clinical Audit Deadline*

All of the Above

Completion of all undergraduate coursework (except Clinical II courses themselves)

Completion of Physiology and Hygiene requirement

Praxis Subject Assessment or other required tests

A PDF copy of your Praxis Subject Assessment Score Report should be downloaded to your computer and then emailed to TEadvisement@montclair.edu and your Program Advisor no later than the Clinical Audit Deadline.
