

Teach for America Info:

Redefine Your Impact

Where will your career take you after graduation? By joining Teach For America, you will become part of a powerful network of more than 60,000 leaders changing the course of our nation. As a corps member, you'll be challenged to think creatively and lead boldly. You'll leverage your unique talents to dismantle inequities in the classroom and beyond. As an alum, you'll join a diverse community working to expand opportunity from nearly every career sector.

Want a glimpse inside a teacher's life? [Check out](#) "The Real Life of Teachers" web series to see how corps members Jenn, David, and Pocco are building a better future for the next generation.
