

WELCOME

We are delighted to have you join us as we celebrate the accomplishments of our graduates.

Commencement is a special occasion, both solemn and joyous.

It is a time when we respect the traditions of higher education

and recognize the hard work and sacrifices that brought

each graduate to this point of personal growth.

Thank you for sharing in this important celebration.

CONGRATULATIONS AND “CARPE FUTURUM”

As you seize this day and your future, we congratulate you on your accomplishments, graduating at this extraordinary time in our nation’s history. You join a large and welcoming network of more than 150,000 Montclair State University alumni, who, like you, were prepared to lead, serve, innovate, create and change the world.

Your dreams, and the accomplishments of this class, are already forging a path toward the change needed in our society. We look forward to watching your careers and lives flourish as responsive and engaged citizens working for the greater good.

We hope you look back fondly on your time at Montclair State University, knowing you persevered through an unprecedented time, returning to campus determined to get the most of your college experience and to enjoy the intellectual and social life of our university, including lectures, art exhibits, performances, athletic events as well as the beauty and serenity of our campus and its memorable views of the Manhattan skyline.

1908
NEW JERSEY STATE
NORMAL SCHOOL AT
MONTCLAIR OPENS

Established by the state as a response to a growing demand for academically trained teachers.

Montclair has grown in ways that would have been hard to imagine 118 years ago when we opened as a normal school to educate teachers. We’re bigger, stronger and more complex, and now the model of a 21st-century university – a doctoral research and public-serving university, offering more than 300 majors, minors, concentrations and certificates.

1908 | CARPE DIEM

Alumni, foundations, corporations and friends care deeply about our university and pay it forward with gifts to help us provide scholarships and a vibrant educational environment where students, regardless of their financial means, are challenged and empowered to succeed. Our faculty scientists and scholars also benefit, allowing for research to take place around the globe.

Many of you are the first in your families to graduate from college. The majority of this graduating class has benefitted from internships, cooperative education and volunteer experiences. Some of you have studied abroad. Most of you have grown in ways you never expected.

In the coming years, we know that you will not forget Montclair, your professors and your fellow Red Hawks. We invite you to stay involved with your alma mater, visit campus for events and to keep us updated on your achievements in your careers and personal lives. We will always take great pride in your accomplishments.

We at Montclair State University are honored to have been part of your journey and to have helped you empower your imaginations in ways needed to prepare you for meeting the exciting challenges and opportunities that await you. We look forward to seeing what you will do.

Congratulations Graduates!

HONORARY DEGREE RECIPIENT

MIKIE SHERRILL, 57TH GOVERNOR OF THE STATE OF NEW JERSEY

U.S. Naval Academy graduate, Navy helicopter pilot, former federal prosecutor and Congresswoman – Mikie Sherrill has devoted her career to serving others. Her time in office, representing New Jersey’s 11th Congressional District and now as our 57th Governor, has been defined by efforts to better the lives of Garden State residents, families and our many diverse communities. As Governor, she has focused on making New Jersey affordable by freezing utility rate hikes and promoting a more transparent and accountable state government.

Governor Sherrill was first inspired to serve by her grandfather, a World War II veteran. After graduating from the Naval Academy in 1994 – the first class of women eligible for combat roles on ships and aircraft – Governor Sherrill spent almost 10 years on active duty in the United States Navy. As a Sea King Helicopter pilot, she led missions throughout Europe and the Middle East. She worked on the Battle Watch Floor in the European Theater during the Iraq War, served as a Flag Aide to the Deputy Commander of the U.S. Atlantic Fleet and was a Russian policy officer aiding in the implementation of nuclear treaty obligations and oversaw the relationship between the U.S. Navy and Russian Federation Navy.

Following her time in the Navy, Governor Sherrill continued answering her call to serve. After graduating from law school, she worked in private practice and then joined the U.S. Attorney’s Office in New Jersey. As an Outreach and Re-entry Coordinator, she established programs to develop trust between law enforcement and the communities they serve and helped people leaving prison to gain employment, housing and education to restart their lives. As an Assistant U.S. Attorney, she prosecuted federal cases to keep our communities safe and worked to take illegal guns off the streets of New Jersey.

In Congress, she continued to advocate fiercely for the people of New Jersey. She was a champion for measures to protect kids online, and played a key role in securing funding for the Gateway Tunnel Project, the largest and most consequential infrastructure project in the country.

BLOOMFIELD COLLEGE OF MONTCLAIR STATE UNIVERSITY

New Jersey's only four-year
Predominantly Black Institution (PBI),
Bloomfield College became a part of
Montclair State University in July,
2023, creating Bloomfield College of
Montclair State University.

Bloomfield College of Montclair
State University is committed to
educate, enlighten, empower and
engage students toward stewardship
to communities locally, regionally,
nationally, and globally.

ACADEMIC PROCESSION

GRAND MARSHAL

The academic procession is led by the Grand Marshal, a senior-ranking member of the faculty. She/he carries the University mace, an ornamental staff symbolizing the President's authority. The silver mace, as well as the medallion worn by the University President, were designed by Cartier and crafted in Athens, Greece.

MACE

The mace is decorated with an 18-carat gold pine design and topped with medallions depicting the seal of the State of New Jersey, the University seal, Cole Hall and other designs. The medallion depicts the University seal. They were gifts of the Sandoz Foundation, secured through the efforts of former trustee William C. Warren in 1973.

GONFALONIERS

The gonfalons of each academic college and school are borne by one of its senior faculty members. They lead the processional for their colleges and schools.

ACADEMIC REGALIA

The wearing of academic robes is a survival of one aspect of life in the Middle Ages. When American colleges and universities desired to adopt a system of academic apparel, they met at Columbia University and suggested a "By-Law, Regulation, or Statute" for the establishment of a suitable code of dress for the colleges and universities of the United States. In 1932, and again in 1959, the American Council on Education revised the costume code.

ACADEMIC PROCESSION (CONTINUED)

The following information is condensed from the code published in 1960:

GOWNS

Pattern: Pointed sleeves for the bachelor's degree, oblong sleeves open at the wrist for the master's degree and bell-shaped sleeves for the doctoral degree.

Trimmings: None for the bachelor's or master's degree. For the doctoral degree the gown is faced down the front with black velvet with three bars of the same across the sleeves, or these bars may be of velvet of the color distinctive of the faculty or subject to which the degree pertains.

For all academic purposes, including trimmings of doctor's gowns, edgings of hoods and tassels of caps, the colors associated with the different subjects are as follows:

HOODS

The hoods are lined with the official color or colors of the college or university that granted the degree. Montclair State University's colors are red and white. The colors of the outside trim of the hoods associated with the degrees are as follows:

Arts and Letters: White

Business: Light Brown

Education: Light Blue

Engineering: Orange

ALMA MATER

By Evelyn Hock Walter, 1925

Beneath the Jersey skies so blue, in Montclair's mountain town,
there stands our College, tried and true and growing in renown.
We love thy campus, love thy halls, and oft to thee we raise,
with loyal lips and loyal hearts, united songs of praise.

All hail to thee Montclair, to thee our voices raise.
Alma mater, dear Montclair, our undying hymn of praise.

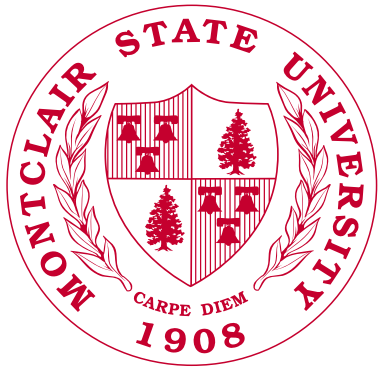

We love thy colors, dear Montclair, the scarlet and the white;
may they forever help us dare to choose and do the right.
And tho' in after years our fate may lead us far apart,
nor time nor space may separate the ties that bind our heart.

All hail to thee Montclair, to thee our voices raise.
Alma mater, dear Montclair, our undying hymn of praise.

LAND ACKNOWLEDGEMENT

We respectfully acknowledge that Montclair State University occupies land in Lenapehoking, the traditional and expropriated territory of the Lenape. As a state institution, we recognize and support the sovereignty of New Jersey’s three state-recognized tribes: the Ramapough Lenape, Nanticoke Lenni-Lenape, and Powhatan Renape nations. We recognize the sovereign nations of the Lenape diaspora elsewhere in North America, as well as other Indigenous individuals and communities now residing in New Jersey. By offering this land acknowledgement, we commit to addressing the historical legacies of Indigenous dispossession and dismantling practices of erasure that persist today. We recognize the resilience and persistence of contemporary Indigenous communities and their role in educating all of us about justice, equity, and the stewardship of the land throughout the generations.

Congratulations Class of 2026!

Today you join the Montclair State University alumni network – more than 150,000 members strong and growing.

Your connection to Montclair doesn't end with graduation. You may be leaving campus, but as a member of the Montclair alumni network, you're never far from the nest.
