

Documentation Review Protocol for Head Start Programs

(See Star Rating Readiness Checklist for Head Start Programs for additional information on aligned Head Start Performance Standards and Acts and required documentation)

The following documentation requirements apply to Head Start programs seeking a **3, 4, or 5-Star Rating** from *Grow NJ Kids*. Based on the findings from Office of Head Start (OHS) Monitoring Reviews by Grow NJ Kids Rating, additional documentation may be required to demonstrate evidence of meeting *Grow NJ Kids* standards and meeting points requirements for the requested Star Rating. *Please see “Additional Documentation to Meet Grow NJ Kids Star Rating Requirements” on page 4 of this document.*

Head Start programs must submit the following documentation to *Grow NJ Kids* Rating:

- **Most recent** (within last five years) **OHS Monitoring Reviews** (Head Start Focus Area One and Focus Area Two Reports; any follow-up reports with corrections to areas of non-compliance or deficiencies; and any additional reviews by OHS)
- **Most recent CLASS observation report with scores that meet the thresholds outlined on page 5** (Head Start programs with preschool classrooms that are seeking a Star 4 only)
- This documentation can be uploaded to the NJCCIS File Cabinet using the GNJK Rating Readiness Checklist document type

A comprehensive alignment of Head Start Performance Standards to GNJK Standards identified several GNJK Standards that **may be waived** for Head Start programs. Aligned Head Start Performance Standards and Acts are indicated for each applicable GNJK Standard. Points are awarded towards the total points for the requested Star Rating for Head Start Standards successfully met through OHS Monitoring Reviews that are aligned to GNJK Standards. **GNJK Standards aligned to Head Start items identified on OHS Monitoring Review reports as non-compliant or deficiencies are not waived, and to receive points for these GNJK Standards, the program must submit documentation evidence for verification.** Head Start items not listed as non-compliant or deficiencies on OHS Monitoring Reviews are presumed to have been completed by the program and the aligned GNJK Standard(s) is waived. **Waived standards apply to Head Start/Early Head Start classrooms only; blended programs (programs with classrooms onsite that are not funded by Head Start) must submit documentation for those classrooms to demonstrate evidence of meeting GNJK Standards.**
