WHY YOU SHOULD ATTEND...
In addition to the Gala being the Chapter’s premiere networking event of the year, your support is key to the success of our shared vision for green buildings and healthy communities throughout NJ. Proceeds from the Gala will fund: USGBC NJ’s groundbreaking Advocacy at the State level; Environmental Education Programs for inner city students; and Green Building skills competency training for public and private sector entities in our state.

See website for info & registration https://usgbcnj.org/event-directory/
