"The opportunities that are available for getting involved in research as an undergrad and for just talking and meeting with the professors are really helpful for considering your future."

—JOSEPH DAVID QUINN-VITABILE '26,
Computer Science

"I decided to come to Montclair because it's close to the city, and my career goals were focused on working there while I was still young."

—EMMA HASKELL '26,
Social Media and Public Relations

"I look back at the person I was before I attended Montclair – I'm completely different: more confident, more understanding of the world."

—DANI MAZARIEGOS '25,
Journalism and Digital Media

"One of the most important things I've learned is that you don't have to limit yourself to just one thing. Montclair allowed me to do three bachelor's degrees, win full scholarships and study abroad in Europe."

—ISABELLA ZARATE GONZALEZ '26
Triple major: Data Science;
Language: Business and Culture;
and German
