Additional Teacher Education Program Information

1. Candidates must meet the State’s Basic Skills Requirement to be accepted into the Teacher Education Program. This requirement is fulfilled by achieving the requisite score on Praxis I, SAT, or ACT exams.

2. A Clinical Internship Application must be submitted the semester prior to the Clinical Practice I semester. The application currently is due March 1 for fall Clinical I and October 1 for spring Clinical I but this deadline is subject to change. Late applications cannot be accepted. All courses listed in the undergraduate program must be completed satisfactorily before being permitted to enroll in Clinical I.

3. A clinical internship audit is conducted by the Center of Pedagogy to verify that all requirements have been met prior to the Clinical I and II semesters, respectively. All requirements must be met by December 15th for spring Clinical I or by July 15th for fall Clinical I. Requirements include successful completion of all program coursework, submission of passing Praxis Subject Assessment test scores, completion of speech requirement, completion of the Physiology and Hygiene requirement, acceptable overall/major/content coursework GPA and grades as outlined in the Teacher Education Program handbook and demonstration of professional conduct.

4. Students are responsible for completing several requirements in addition to coursework in order to be recommended to the State of New Jersey for instructional certification. These other requirements must be completed prior to Clinical II (i.e., by the December 15th or July 15th Clinical II audit deadline) and include:
   a. Physiology and Hygiene requirement --must take University-approved course or pass University-approved test.
   b. Praxis II Exam — must pass all state-required Praxis Subject Assessment exams for the certification area.
   c. Harassment, Intimidation and Bullying Prevention Requirement (completed in Clinical I semester)

5. Students must pass the edTPA in order to become certified in New Jersey. This is completed during the Clinical II semester.

6. Students also are responsible for:
   a. Seeking advisement from their academic advisors for registration and completion of degree requirements. Students will be assigned undergraduate advisors while completing the undergraduate degree.
   b. Consulting the Teacher Education Program Handbook regarding policies and procedures for the Teacher Education Program.
   c. Filing the proper Audit forms in the Office of the Registrar for graduation.
