

Chapin Drive Closure and Steam Shutdown Thursday, 8/15/19 - 8/16/19

Steam Shutdown: Due to repairs tin steam manholes at Chapin Drive, steam service will be out at Freeman, Russ and Chapin Hall.

This outage will commence on Thursday afternoon, August 15th, and will last through Monday morning August 19th.

During the outage no domestic hot water will be available at the Russ Hall, Freeman Hall and Chapin Hall.

Additionally Russ Hall will have no air conditioning.

All Service will resume Monday afternoon.

Chapin Drive Closure: Chapin drive will be closed to vehicular traffic from Friday August 16th through Wednesday August 21st.

Vehicular traffic for the College Hall construction project will be accessed via Skyland Drive.

Access to Lot #9 and SCOM loading dock parking only for the few permitted vehicles will be possible from Stone St. through CELS to Morehead and then to Skyland Drive. (see yellow path pictured below)
