

UNIVERSITY HEALTH CENTER (UHC)

Dear Montclair State University Student:

Congratulations and welcome to Red Hawk Country! **Prior to class registration and housing assignments**, all full and part –time graduate and undergraduate students must provide immunization information to meet University and New Jersey state requirements. Students born prior to 1957 are exempt from these requirements. Compliance with these requirements is mandatory in order to begin the process of attending the University.

Required Immunizations

- **Measles, Mumps, and Rubella** – All students must provide vaccination documentation of two doses of measles, two doses of mumps and one dose of rubella vaccine.
- **Hepatitis B** – All incoming full time students must provide documentation of a completed series of three vaccinations against Hepatitis B.
- **Meningitis** - All students who intend to live in University housing must show documentation of vaccination of one dose of meningococcal meningitis vaccine within the last five years in addition to measles, mumps, rubella and Hepatitis B requirements. This requirement *does not apply* to commuter students.

Requests for religious exemption from these requirements may be submitted to the University Health Center. It must be from the enrolled student if aged 18 or over and specifically state the religious doctrine that prohibits immunization. Montclair State reserves the right to approve or decline the exemption request.

Requests for medical exemption should be submitted to the University Health Center as a written statement from your healthcare provider indicating the vaccine that is contraindicated and the specific medical condition. Montclair State reserves the right to approve or decline the exemption request.

Submission Instructions and Deadlines

Instructions and forms may be obtained from our website at <http://www.montclair.edu/healthcenter/>. Forms can be mailed or faxed to the University Health Center at the address or number below. **Do not submit forms to any other department.** Keep a copy for your records.

Deadlines:	Fall Entry:	General Requirements	June 1
		Residential Requirements	June 1

Spring Entry: Two weeks after enrollment and/or housing deposit submission

Failure to comply with the requirements listed will prevent registration for classes and/or housing eligibility.

Immunization forms/documentation must be mailed or faxed to:

Montclair State University Health Center, Blanton Hall,
One Normal Avenue, Montclair, NJ 07043
Attention: Immunization Program
Fax: 973-655-4159

Additional information can be obtained at <http://www.montclair.edu/healthcenter/> or via email at askanurse@mail.montclair.edu. We look forward to assisting with all of your healthcare needs and extend our best wishes for a safe, healthy and successful experience at Montclair State University.
