Electronic Thesis and Dissertation (ETD) Embargo Renewal Form

This Embargo Renewal Form must be submitted with sufficient time (at least two months) prior to the expiration of your current embargo to ensure adequate processing time prior to your thesis/dissertation's scheduled release. Please check the original embargo expiration date in Montclair State University Digital Commons. (<https://digitalcommons.montclair.edu/>) If a renewal request is submitted less than two months from when an existing embargo is set to expire, we cannot guarantee that it will be processed and granted in time to preclude your thesis/dissertation from being made publicly available.

Please "print" it as PDF after filling, then send it to digitalcommons-etd@montclair.edu

Students must work separately with ProQuest regarding embargoes of electronic theses or dissertations published in the ProQuest Dissertations & Theses Global database.
