

Master of Education in Teaching for Equity and Justice *Gifted and Talented Education Specialization*

Our **M.Ed. in Teaching for Equity and Justice program** is unique in that, while core courses focus on traditional areas of interest for all educators (e.g. curriculum, teaching and learning, assessment, and teacher research), each of these topics is explored through a lens of equity and social justice in education. The program incorporates a specialization in a number of Montclair's existing programs, with both online and in-person coursework modalities. Those who have completed or are currently enrolled in one of the certificate or certification programs listed below at Montclair in the past five years may have up to 18 credits apply toward completion of the program.

Gifted and Talented Education (Certificate) Online

This program is designed for aspiring and practicing classroom teachers, resource specialists, educational consultants, administrators and parents. Montclair provides students with the knowledge and skills necessary to successfully teach students who demonstrate exceptional performance in intellectual, creative or artistic areas.

What You'll Gain:

- Strategies for identifying and nurturing gifted learners across backgrounds
- Tools to differentiate instruction for high-ability students
- Understanding of policy and advocacy in gifted education

**F1/J1 visa seeking students are not eligible for this program.*
