

Master of Education in Teaching for Equity and Justice

Master's Alternate Route Teacher Certification (P-3) Specialization

Our **M.Ed. in Teaching for Equity and Justice program** is unique in that, while core courses focus on traditional areas of interest for all educators (e.g. curriculum, teaching and learning, assessment, and teacher research), each of these topics is explored through a lens of equity and social justice in education. The program incorporates a specialization in a number of Montclair's existing programs, with both online and in-person coursework modalities. Those who have completed or are currently enrolled in one of the certificate or certification programs listed below at Montclair in the past five years may have up to 18 credits apply toward completion of the program.

Master's Alternate Route Teacher Certification (P-3)

The Alternate Route program is a non-traditional teacher preparation program designed for individuals who have not completed a formal teacher preparation program at an accredited college or university, but wish to obtain the necessary training to become a NJ-certified teacher.
