Hispanic/Latinx Alumni Network (HLAN)

WELCOME TO THE HISPANIC/LATINX ALUMNI NETWORK (HLAN) AT MONTCLAIR STATE UNIVERSITY!

As our representation has increased at Montclair State University - reaching 40% of undergraduate students in Fall 2022 - we have created a group that provides opportunities for networking among Hispanic/Latinx alumni and to extend relationships with current and future Montclair State students.

Events and opportunities will be developed such as networking events, advocacy of Hispanic/Latinx causes (including students, staff, and faculty), development of a Mentoring Program, resource exchange opportunities, and social events. We welcome your participation as we work together to ensure that the voices of the MSU Hispanic/Latinx constituency are heard and contribute to the advancement of the community.
