**DUES DEDUCTION**

**B. Representation Fee (Agency Shop)**

1. Purpose of Fee

   a) Subject to the conditions set forth in 1(b) below, all eligible non-member employees on the payroll in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

   b) It is understood that the implementation of the agency fee program is predicated on the demonstration by the UNION at the signing of this Agreement that more than 50% of eligible employees in the negotiations unit on the payroll are dues-paying members of the UNION. Thereafter, the UNION will advise the STATE by the end of the second contract year of this Agreement if the above percentage has been maintained. If, at the signing of this Agreement, the above percentage has not been achieved, the agency fee plan will not be implemented. If the above percentage has been achieved in the second contract year assessment, the agency fee shall continue until the following assessment. If the percentage has not been achieved, the agency fee will be discontinued at the beginning of the next semester and eligibility for reinstatement shall be on a semester basis. If the minimum percentage is achieved in any spring or fall semester after the UNION has not met the minimum percentage, the plan will be reinstated at the beginning of the next semester with proper notice to affected employees by the STATE. The information provided by the UNION will be verified by the STATE.

2. Amount of Fee

   Prior to the beginning of each contract year, the UNION will notify the STATE in writing of the amount of regular membership dues, initiation fees and assessments charged by the UNION to its own members for that contract year, and the amount of the representation fee for that contract year. Any changes in the representation fee structure during the contract year shall be certified to the STATE thirty (30) days in advance of the requested date of such change. The change will be reflected in payroll deductions at the earliest time after the receipt of the request.

   The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.
3. Deduction and Transmission of Fee

After verification by the STATE that an employee must pay the representation fee, the STATE will deduct the fee for all eligible employees in accordance with this Article. The mechanics of the deduction of representation fees and the transmission of such fees to the UNION will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the UNION except the deduction will begin in the third pay period of the semester. The deduction will be made in equal biweekly amounts. The total agency fee deducted for each semester will be 85% of the total dues deducted for that semester.

4. Demand and Return System

The representation fee in lieu of dues shall only be available to the UNION if the procedures hereafter are maintained by the UNION.

The burden of proof under this system is on the UNION.

The UNION shall return any part of the representation fee paid by the employee which represents the employee's additional pro-rata share of expenditures by the UNION that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

The pro-rata share subject to refund shall not reflect, however, the costs of support of lobbying activities designed to foster policy goals in collective negotiations and contract administration or to secure for the employees represented advantages in wages, hours, and other conditions of employment in addition to those secured through collective negotiations with the public employer.

The employee shall be entitled to a review of the amount of the representation fee by requesting the UNION to substantiate the amount charged for the representation fee. This review shall be in conformance with the internal steps and procedures established by the UNION.

The UNION shall submit a copy of the UNION review system to the Office of Employee Relations. The deduction of the representation fee shall be available only if the UNION establishes and maintains this review system.

If dissatisfied with the UNION's decision, the employee may appeal to a three-member board established by the Governor.

5. STATE Held Harmless

The UNION hereby agrees that it will indemnify and hold the STATE harmless from any claims, actions or proceedings brought by any employee in the negotiations

unit—which arises from the STATE’s agreement to make deductions in accordance with this provision. The STATE shall not be liable to the UNION or employee for any retroactive or past due representation fee for an employee who was identified by the STATE as excluded or confidential or in good faith was mistakenly or inadvertently omitted from deduction of the representation fee.

6. Legal Requirements

Provisions in this clause are further conditioned upon all other requirements set by statute.

c) a description of how the alleged violation occurred;

d) the date of the alleged violation;

e) the proposed remedy.

Where the nature of the grievance suggests that it would be appropriate, the grievant may be requested by the President or his or her designee to meet any
involved official of the College/University in an effort to resolve the grievance informally. Such informal discussions shall not become a part of the record of the grievance unless the grievance is resolved on the basis of such discussions. The President or designee thereof shall hear the grievance and, where appropriate, witnesses may be heard and pertinent records received. The hearing shall be held within twenty (20) calendar days of receipt of the grievance, unless the parties mutually agree otherwise and the decision shall be rendered in writing to the employee and the UNION representative within fifteen (15) calendar days of the conclusion of the hearing of the grievance. The decision of the President or his or her designee shall be final and binding as to B.2 grievances. Additionally, grievances alleging a breach, misinterpretation or improper application of the terms of this Agreement that relate to employment, reemployment, discipline or academic judgment cannot be appealed to arbitration.

The UNION shall have the right to be present at a Step 1 grievance hearing where an employee wishes to process a grievance on his or her own behalf.
