If you encounter any errors during this process contact Workday Customer Care (973-655-5000 option 3 or WCCSupport@montclair.edu).

Instructions

- 1) From your Workday home page click on the **Pay** worklet.

- 2) In the **View** column on the right, click on the **Historical Activity Pay** button.

- 3) You will see all historical and current period activity pay assignments listed for each of your positions.

To view the details of the period activity pay assignment, click on the **View Assignment Details** button.

The **View Assignment Details** page will provide you with the following information.

- Activity (the type of the period activity pay assignment)
- Task (details of the assignment if available)
- Activity Start and End Date
- Weekly Work Hours and Service Hours
- Quantity
- Unit Rate (the rate of pay for the assignment)
- Scheduled Amount of Pay (total amount to be paid for the assignment)
- Paid to Date (how much of the scheduled amount has been paid so far)
- Payments (the payment schedule for the assignment)

If you click on the blue number in the payments column a payment schedule will pop up.

NOTE: The Scheduled Date is equal to the last day of the pay period, not the actual payment date. View the [payroll schedule](#) to determine the pay date for that pay period.
