Supplemental Guide for Creating New Tenure Track (10M) and Temporary Faculty Positions in Workday

The purpose of this guide is for initiating the Create Position process for Tenure Track (10M) and Temporary Faculty positions in Workday. A faculty position can be created once the position has been approved by the President, Provost/VPAA and the Office of Budget and Planning; and the three required documents (Position Description, Recruitment Plan, and Workday Excel sheet) have been reviewed and approved by the Provost's Office.

This functionality is available to Hiring Managers (Department Chairs and School Directors) and Administrative Assistants responsible for creating positions within their organization.

Before initiating the ‘Create Position’ process in Workday, please have:

- The appropriate full time org in Workday. Example: Testing and Development (Frank N. Stein).
- The org should not have the word ‘Temporary’ in it.
- The Administrative Assistant or Manager role for the appropriate full time org in Workday.
- An understanding of the timeline from position creation to hiring your new Faculty member.
- The approved position announcement from the Provost’s Office (ready to attach to the position).
- The approved rank, step, range, and cost center (ready to attach to the position).
- Recruitment plan (ready to attach to the position).

Approval Workflow:

1. Classification and Compensation team in HR
2. Department Chair (this step is omitted if the Dept. Chair initiates the process instead of the Admin)
3. Dean
4. Provost’s Office
5a. Budget Office (if the position is non-grant funded)
5b. Grants Accounting (if the position is grant funded)
6. Vice President for Human Resources

| Early Hire Date   | ✗ 09/01/2021 |

**Must be today’s date.** Selecting a future date will prevent the position from being seen in Workday.

**Must be 07/01** of the hire’s intended academic year.

- Make sure the Job Profile includes ‘(10M)’ and does NOT say ‘Temporary’.
- If the rank is flexible, select the higher rank’s Job Profile. Select **only one** job profile.

**Copy & paste from the approved position announcement. Please format this properly.**
All four fields should always look like this. Only select ‘Part Time’ if you were approved for a percentage of time position.

Type in ‘reg’ and hit enter for ‘Regular’ to populate.

Add any additional/applicable comments/notes to this area. If your position is grant-funded and you have the grant # during this time, please enter it in this section.

- This is where you will attach the position announcement, recruitment plan, and approved budget line excel.
- Select ‘other’ as the category for the recruitment plan and budget excel.
- Select ‘job description’ as the category for the position announcement.
- If this is a grant-funded position, please attach the grant proposal and/or any applicable grant paperwork in this section. You may select ‘other’ as the category.

This selection will determine if the position’s approval will route to Budget or Grants Accounting.

• Once the Cost Center is entered, the Fund, Program, and Division will automatically populate.
• You will notice there is not a field to add the PS Account—this is OK, as the PS Account field automatically links to the Job Profile.
