Organizing Your Mail

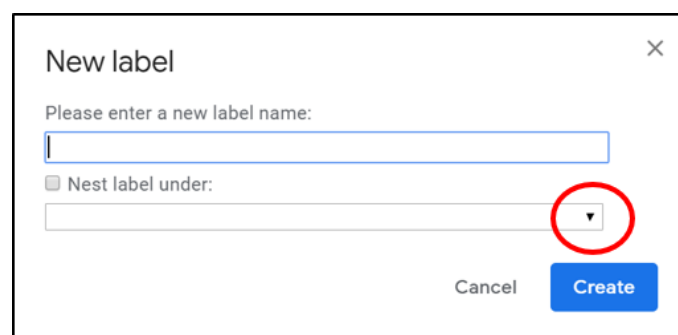

Gmail does not use folders. To help you organize your mail more effectively, Gmail uses labels instead.

Creating a New Label

- 1) At the bottom of your mail list click **More**
- 2) Click **Create New Label**

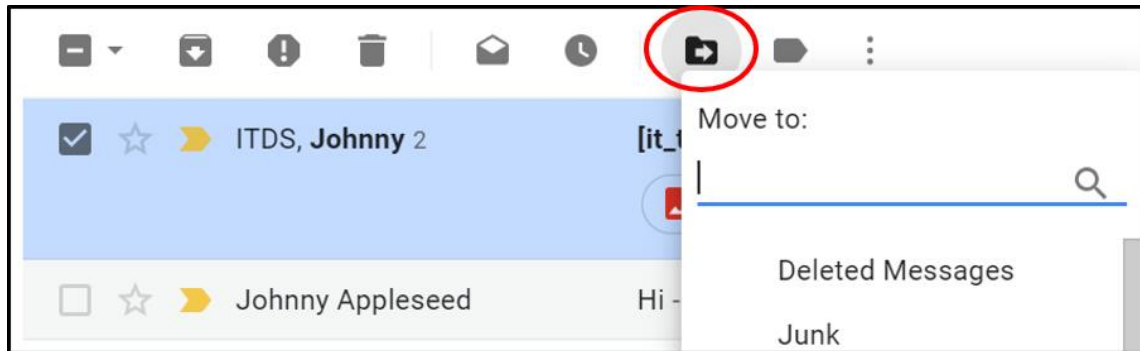

- 3) Type the name of your new label
 - If creating a nest label (subfolder), select the label by clicking on the drop down arrow

A screenshot of the 'New label' dialog box in Gmail. The dialog has a title bar with a close button (X). Below the title, it says 'Please enter a new label name:' followed by a text input field. Below that, there is a checkbox labeled 'Nest label under:' followed by a dropdown menu. The dropdown menu is circled in red. At the bottom right of the dialog, there are two buttons: 'Cancel' and 'Create'.

- 4) Click **Create**

Moving a Message to a Label

- 1) Select the message
- 2) Click the **Move to** icon
- 3) Select an existing label or click **Create new** to create a new label
