Login:

Q. How do I log into NEST?

- A. Current Students log in with their University NETID and Password.
- New Students who haven't paid their New Student Enrollment Fee and claimed their University NETID, log in with their CWID and PIN.
 - Graduate students who do not yet have a University NETID and Password log in using their CWID and PIN.

Note: Always Log out from NEST when you are done.

Q. What is Self-Service Banner and why am I being redirected to it?

- A. Self-Service Banner or SSB is the backbone from which NEST is built. When you log into NEST, you are logged into SSB. NEST and SSB work hand-in-hand to help you manage your professional and academic life at Montclair State University.

Q. I'm getting prompted to input a CWID and PIN after I've already logged into NEST and clicked a link. What do I do?

- A. The student's previous session is not yet expired. Click off the tab and try the link in NEST again.

Q. I tried logging into NEST from my bookmarks and it's not working.

- A. NEST's login page cannot be bookmarked due to the authentication key appearing in the URL. The student should be bookmarking <https://nest.montclair.edu> manually instead of when they reach the page.

Q. I'm getting an Authentication Error when I try to login and I know my NETID and password are correct.

- A. Close your browser, reopen it and reset your browser cache. Try logging into NEST again.

Q. How do I find out who my advisor is?

- Students can find their Advisor Information in Degree Works.
- They can access Degree Works by logging into NEST and navigating to the "Degree Audit" portlet located on the homepage or in the "Register for Classes" page in the side navigation.
- Once here, they can find their advisor information.

- If no Advisor is listed on this page have the student contact Center for Advising & Student Transitions (CAST) at 973-655-7114.

A. Students are encouraged to see their Advisor prior to registration to go over their future schedule and analyze their goals.

- First-time Freshmen, students who haven't declared a major, on academic action (probation, readmitted from suspension or dismissal) and students in EOF **must** see their Advisor prior to registering.
- Students majoring in Anthropology or Earth and Environmental Sciences are also required to have an Advising appointment before registering.
- If Advising is mandatory for you, your Advisor will provide you with your own unique registration PIN that will enable you to register for courses in Banner, via NEST. This registration PIN is needed to unlock the system to you, and only you, to sign up for your classes.

Q. Where do I find my Analysis of Academic Progress or Audit information?

- Students can view their Degree Audit through NEST by accessing Degree Works.

Below the header is a search bar with the text "Find a page...". The main content area is titled "Title IV Authorization" and contains the following text:

The U.S. Department of Education requires that Federal Title IV financial aid funds (Federal Pell Grant, Federal SEOG Grant, Federal Teach Grant, Federal Perkins Loans, Federal Direct Subsidized Loan, Federal Direct Unsubsidized Loan, Federal Parent PLUS Loan and Federal Graduate PLUS Loan) only be applied towards allowable institutional charges (tuition and fees, and university housing and meal plans when applicable) for the current academic year.

However with your authorization, the University can apply excess Federal Title IV financial aid funds you receive to prior year charges up to \$200.

You may also authorize the University to apply excess Federal Title IV financial aid funds you receive to non-institutional charges appearing on your student account for the current or prior aid year up to the limits allowed by regulation. If you do not authorize the use of Federal funds for non-institutional charges, you will be responsible for paying them yourself.

You may change this authorization at any time by notifying the Office of Student Accounts in writing at Montclair State University, 1 Normal Ave Montclair, NJ 07043.

Title IV Authorization for Non-Institutional Charges

I authorize Montclair State University to apply any excess Title IV financial aid to non-institutional charges posted to my student account for the current academic year.
