Search  Clear  Advanced Search

Find a class you want to take and click on the title.

When you click on the title, a box will pop up.
How to Find Classes for Your Course Request Form

The box will automatically open up on Class Details.

Click on Section/Course Details. If you see the words “Prerequisite(s)” that means you will have had to take a lower level class in order to take this class at Montclair.
How to Find Classes for Your Course Request Form

You will then need to look up the class that is listed as the prerequisite. You will need the name of the course and code. For the example class of BIO 213, you would list *Organisms and Diversity BIO 113* as your prerequisite.

| Organisms and Diversity Lecture | Biology (BI… 113 | 19 | 4 |

You will take this information and enter it into your course request form.

If there are no Restrictions or Prerequisites, you will not need a permit in order to register.

You will still need list the course on your form and write N/A for the Prerequisite spots. We will be tracking which courses you sign up for.

You will be responsible to register yourself at your dedicated date and time. This information will be sent to you by your advisor.
