Click on Section/Course Details. If you see the words "Prerequisite(s)" that means you will have had to take a lower level class in order to take this class at Montclair.

MONTCLAIR INTERNATIONAL STATE UNIVERSITY ACADEMIC INITIATIVES

# How to Find Classes for Your Course Request Form

You will then need to look up the class that is listed as the prerequisite. You will need the name of the course and code. For the example class of BIO 213, you would list *Organisms and Diversity BIO 113* as your prerequisite.

Organisms and Diversity Lecture	Biology (Bl	113	19	4

You will take this information and enter it into your course request form.

	Montclair State University Course Title	Subject Description and Course Number	Section Number	Course Regulation Number (CRN):	Montclair State Prerequisite Course Name/Number Found in Section/Course Detail	Course taken at home university that you propose we count as this prerequisite. <u>AND</u> Justification for Why You Need / Want to Take Course
	EXAMPLE: Advanced Microbiology	BIO 301	01	40123	Intro to Microbiology - BIO 201	Microbiology Basics - BIO 216. I need Advanced Microbiology for as a course requisite for me to graduate for my home university.
1	Introduction to Ecology	BIO 213	01	43229	Organisms and Diviersity BIO 113	The Study of Organisms - BIO 102 I am a biology major who needs this class to graduate.

If there are no Restrictions or Prerequisites, you will not need a permit in order to register.

You will still need list the course on your form and write N/A for the Prerequisite spots. We will be tracking which courses you sign up for.

You will be responsible to register yourself at your dedicated date and time. This information will be sent to you by your advisor.
