International Student Services

The Office of International Engagement provides students with advisement on maintaining visa status and international admissions procedures. The office also plans social, cultural and academic activities, excursions and programming specifically for International students including a special International Student Achievement Ceremony prior to graduation.

Campus Life and Recreation

Make the most of your Montclair State experience – inside and outside the classroom. See a performance free of charge at our state-of-the-art Kasser Theater, grab a late-night burger at our landmark diner, and cheer our nationally ranked sports teams to victory.

Campus Safety

At Montclair State, the campus is well lit and patrolled 24/7 by police. Students can safely walk around campus any time of the day. Emergency call boxes are located throughout the campus that connects students directly to the University Police Department, which is available 24/7 and is staffed by full-time police officers. The university also has an Emergency Medical Service that is available to students any time of day or night.
