KEYBOARD PROGRAM

Undergraduate and graduate programs in piano, organ, and harpsichord offer comprehensive training with well-known performing artists, pedagogues, and scholars in history, theory, pedagogy, and performance practice. Students supplement their curriculum with vocal accompaniment and chamber music. They perform in masterclasses of world-renowned artists, and play in recitals and juries each semester. As a Steinway school, Cali presents piano majors in concert at Steinway Hall in New York City, and in other metropolitan venues. Scholarships available.
