The Cali School of Music
at Montclair State University
aims to create dynamic and
comprehensive pathways
to higher education
and careers in music

Cali pathways project

for talented
student
musicians
from **under-
represented
backgrounds.**

Goal

Identify young motivated students and assist them in breaking down the barriers that may otherwise preclude them from achieving their full musical potential.

Through the generosity of our donors, the Cali School will ensure that these students have the educational and musical resources to advance their goals. This support may include:

- Acquisition of a musical instrument
- Private instruction
- Master classes and workshops
- Mentoring
- Tuition aid to summer camps
- On-campus activities at MSU
- Travel expenses to and from instruction
- Full tuition remission to the Cali School of Music
