2023–24 Academic Schedules

The School of Music’s academic schedules, while fixed at the beginning of each semester, are living documents that are subject to change. The Cali School of Music utilizes both Google Calendar and Google Sheets to maintain an up-to-date version of all of our academic offerings. Area Coordinators have access to view these documents. Individual course schedules for the Fall term (with current enrollments) are accessible for viewing on the “Faculty Detail Schedule” button in NEST, and individual courses may be viewed on the “Look Up Classes” button, also in NEST.

The academic offerings listed in the Google Sheet that is shared with Area Coordinators do not include one-time events that are scheduled separately, so please do not plan recitals or room use based on this document. However, Google Calendar does provide a complete overview of what is happening in the Cali School. For any and all questions in regard to both academic and event scheduling, please see Taylor Goodson (goodsont@montclair.edu) in room 129.

For academic recitals, please see the [Cali School Recital Scheduling page](#) for additional, important information.
