

Presentation: Getting Involved at MSU

Clubs and Organizations offered to MSU Students:

- Academic/Professional: organizations created to enhance academic and professional development
- Art: clubs and organizations for those who enjoy the fine or performing arts.
- Religious/Spiritual: clubs and organizations for those who like to keep in touch with their spirituality.
- Special Interest: clubs that really speak to student's personal interests.
- Service: for the students who like to get involved with their community.
- Athletics: clubs for those who like to stay fit and active.
- Cultural: for those who like to stay connected to their cultural backgrounds.
- Political/Activist: for those who like to have their voices heard.

Departments/Offices offered to MSU Students:

- The Commuter Student Programs & Services: provides students with the ability to interact with other commuter students.
- The Office of Greek Life: a fraternity or sorority can help personalize your college experience and serve as an avenue of endless opportunities.
- Department of Campus Recreation & Intramural Services: provide programs, services, and facilities that encourage personal development and learning experiences by making good choices in sports and recreation.
- The Center for Student Involvement: help plan events for Weekends at Montclair (WAM!) or work within the CSI office.
- The Center for Leadership Development: provides students with services to expand their leadership opportunities on campus.
