Creating and Editing a Wiki Page

A wiki is a collaborative tool that allows students to contribute and modify one or more pages of course-related materials. As wiki pages are continually edited, the content becomes richer and collaboration deepens among course members.

To Access the Wiki:
1) Click Academic Tools in the Course Menu
2) Select Wikis
3) Click on the appropriate wiki

Note: If you are the first student to access the wiki, you will be requested to name the first page of the wiki along with adding content to the page. The next student to access the wiki can either add a page to the wiki or edit an existing page.
To Add a Page to the Wiki:
1) Click Create Wiki Page button
2) Enter a name for the wiki page
3) Enter content
4) Click Submit

To Edit the Content of a Wiki Page:
1) Navigate to the page you would like to edit by selecting the page (on the right).
2) Click the Edit Wiki Content button
3) Edit the wiki content
4) Click Submit when finished

To View Your Participation in a Wiki
1) Click the My Contribution Button at the top right
