Faculty SSB

Log in to the NEST portal: Click on “Faculty Services”.

Click on the Class Schedule block to search for sections.

Select the term for the class schedule desired.
Select any combination of the above criteria and select Class Search.

Sections will appear with day, time and instructor information as well as the Course record number (CRN) for the course. CRN replaces “Call Number” on SIS.
If you wish to see the catalog detail behind each section, click on “View catalog entry”. This will provide information about any pre-requisites, co-requisites or registration restrictions.

Catalog Entries

Prerequisite(s): ENWR 105 or HONP 100. For Accounting Majors only except by permission of the instructor. The course will enable the students to perform the entire financial statement analysis. The course will enable students to interpret the statements of cash flows. The course will enable students to interpret the statements of cash flows.

Levels: Graduate, Undergraduate
Schedule Types: Lecture

Accounting, Law and Taxation Department

Course Attributes:
College of Business

To log into your specific class information, return to the menu under “Faculty Services” click on Faculty Detail Schedule.

This will provide detailed information about your classes, including location and enrollments.
To get a class list with all student names, as well as student program information, click on Detail Class list, from the same “Faculty Services” Menu.

A list of all students registered will appear, along with an email Icon after each name so that you can email that student.

Email class

appears at the bottom of the roster so you can email the entire class. Students will appear on these rosters beginning on April 13, 2016. Note that information about grading and attendance verification through NEST will be provided in late summer.
To get a class list with summary information, click on “Summary Class list” to see this format.
