

# Mandatory Advising

If you are in a student category that requires you have to have advising, you will need to visit with your advisor to obtain a “Registration PIN” before you can register for classes.

When you attempt to register, assuming all of your HOLDS are cleared, you will be prompted to enter your PIN.

The image shows a screenshot of a web form. At the top, there is a message box with a speech bubble icon and the text: "Please enter the Personal Identification Number (PIN) for the student". Below this is a label "Student PIN:" followed by an empty text input field. Underneath the input field is a dark grey button with the word "Submit" in white text. A large blue arrow points from the left towards the "Submit" button. Below the "Submit" button is a section titled "ID Selection" in blue text, which appears to be a dropdown menu.

Keep in mind that you will need to hold onto this PIN for the entire semester, as you will be required to enter it every time you add or drop a course, or if you wish to withdraw from a course.

Each semester for which advising is required you will need to obtain the PIN that is unique to that semester.
