

### B.S. Business Administration – Business Analytics (BABA) Recommended Four-Year Plan (Fall 2016)

This recommended four year plan is provided as an outline for students to follow in order to complete their degree requirements within four years. This plan is recommendation and students should only use it in consultation with their academic advisor. Students should be aware that this plan assumes that no development courses are required. If developmental courses are needed, students may have additional requirements to fulfill which do not appear on the four year plan.
