IV. Changes to Bidding Requirements:

   RFP page 10 clarifies what is to be an added unit price and a deduct unit price. The price of the scoreboard is to be included in the lump sum bid, however bidders must list an individual price of the scoreboard and associated installation work which may be deducted from the lump sum if the University chooses not to perform this work.

   Likewise, an add on unit price for the possible chipping through excess rock and boulders should be included in the unit prices only, not in the lump sum. This pricing will be used in the event that excess rock and boulders are encountered.
