Montclair State University
Board of Trustees (BOT)
Waiver of Advertising Process

Procurement Services Department
August 30, 2018
MSU is an Agency of the State of New Jersey

The Montclair State University Act (MSU Act):

- Establishes bidding requirements
- Defines when exceptions can be made to public bidding
- Requires Board of Trustees approval of contracts which have been delegated at different dollar thresholds to the President and the Vice President for Finance & Treasurer.
- Permits the University to establish procurement policies, including the delegation of contract approval to designated officers.
# Bidding Thresholds

- The current public bid threshold is $33,300

*Note: Capital construction projects must be publicly bid.*
Exceptions to Public Bidding

- General Service Administration Contracts; Federal Government Contracts; State of NJ Contracts; Co-operative Contracts (> $500,000 - BOT approval). Exempt because competitive processes have already taken place.

- MSU Act’s categories – 33 exceptions to public bidding, such as:
  - Sole Source
  - Professional Services
  - Information Technology – Software & Hardware
  - Library Materials

*Please see the Procurement Policies and Procedures, page 11, for all 33 exceptions on our website:*

- Professional Services are those that require a license (e.g.: lawyers, doctors, engineers, architects, etc.). The Request for Qualifications process may be used.

- Professional Consulting Services (e.g.: accounting services, IT consulting services, etc.).
BOT Approval Thresholds

- Contracts pursuant to a Waiver of Advertising, with values equal to or greater than $33,300, but less than $200,000 are delegated for approval to the Vice President for Finance & Treasurer.

- Contracts pursuant to a Waiver of Advertising, equal to or greater than $200,000, but less than $500,000 are delegated to the University President.

- Contracts pursuant to a Waiver of Advertising over $500,000 must be submitted to the Board of Trustees for contract approval.

- The above approval thresholds apply when the dollar value of a prior BOT approved contract needs to be increased.
Board of Trustees Waiver of Advertising

BOT Waivers of Advertising for the 33 exceptions to public bidding can be prepared by Procurement Services or the internal customer (department)

- Procurement Services is available to issue a RFP Waiver of Advertising, but must be contacted a **minimum of eleven (11) weeks prior to the BOT meeting if the procurement is expected to be over $500,000.**

- Internal customers must submit the Waiver of Advertising Request Packet, when it is less than $500,000, to Procurement Services after obtaining the appropriate signatures, for review. If approved, the approved contract will be reported to the BOT at its next scheduled meeting.

- Waivers under $500,000 can be submitted on a rolling basis.

- Waivers issued by internal customers greater than $500,000 must be submitted to Procurement Services **four (4) weeks before the BOT meeting.**

- Following the approval of the Waiver of Advertising by the BOT, President or Vice President for Finance & Treasurer, Procurement Services issues a BOT Waiver number for each approved contract as a way to identify the procurement methodology.

- Procurement Services begins to issue reminder emails ninety (90) days before a contract expires.

*Please go to the Procurement Services web site, under Forms for the BOT Waiver of Advertising Packet for the requirements:*
