It is the responsibility of the vendor accessing the RFP from Procurement Services’ webpage to e-mail or fax the assigned Procurement Services buyer to request that it be faxed notice of addendum issued.

1.4.2 BIDDER RESPONSIBILITY
The bidder assumes sole responsibility for the complete effort required in submitting a bid proposal in response to this RFP. No special consideration will be given after bid proposals are opened because of a bidder's failure to be knowledgeable as to all of the requirements of this RFP.

1.4.3 COST LIABILITY
The University assumes no responsibility and bears no liability for costs incurred by a bidder in the preparation and submittal of a bid proposal in response to this RFP.

1.4.4 CONTENTS OF BID PROPOSAL
Subsequent to bid opening, all information submitted by a bidder in the bid proposal is considered public information, except as may be exempted from public disclosure by the Open Public Records Act, N.J.S.A. 47:1A-1 et seq., and the common law.

A bidder may designate specific information in its bid proposal as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. The University reserves the right to make the determination and will advise the bidder accordingly. The location in the bid proposal of any such designation should be clearly stated in a cover letter. The University will not honor any attempt by a bidder either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.

By signing the Signature Page of this RFP (Attachment 1), the bidder waives any claims of copyright protection set forth within the manufacturer's price list and/or catalogs. The price lists and/or catalogs must be accessible to University using departments.

1.4.5 PRICE ALTERATION
Bid prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.
1.4.6 BID ERRORS
A bidder may request that its bid proposal be withdrawn prior to bid opening. Such request must be made, in writing, to the Director of Procurement Services. If the request is granted, the bidder may submit a revised bid proposal as long as the revised bid proposal is received prior to the announced date and time for the opening of bid proposals and at the place specified.

If, after the opening of bid proposals but before contract award, a bidder discovers an error in its bid proposal, the bidder may make written request to the Director of Procurement Services for authorization to withdraw its bid proposal from consideration for award. Evidence of the bidder’s good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the bid proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder’s exercise of reasonable care; and that the University will not be significantly prejudiced by granting the withdrawal of the bid proposal.

If, during the evaluation of bid proposals received, an obvious pricing error made by a potential contract awardee is found, the Director of Procurement Services shall issue written notice to the bidder. The bidder will have five days after receipt of the notice to confirm its pricing. If the bidder fails to respond, its bid proposal shall be considered withdrawn, and no further consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other than a disparity between the unit price and extended price and the bidder’s intention is not readily discernible from other parts of the bid proposal, the assigned Procurement Services buyer may seek clarification from the bidder to ascertain the true intent of the bid proposal.

1.4.7 JOINT VENTURE
If a joint venture is submitting a bid proposal, the agreement between the parties relating to such joint venture should be submitted with the joint venture’s bid proposal. Authorized signatories from each party comprising the joint venture must sign the Signature Page (Attachment #1) and the Source Disclosure Certification (Attachment #3). SOURCE DISCLOSURE CERTIFICATION

N.J.S.A. 52:34-13.2 and N.J.S.A. 52:32-1 requires that all contracts for goods and services with an instrumentality of the State be performed or manufactured within the United States, except when the University Contracting Officer certifies in writing that a required service cannot be provided by the contractor or subcontractor within the United States.

SOURCE DISCLOSURE REQUIREMENTS

Pursuant to the statutory requirements, all bidders responding to an advertised procurement must submit a completed Source Disclosure Certification Form with the bid proposal, disclosing the location by country where services under the contract, including subcontracted services, will be performed.

If any of the services cannot be performed within the United States, the bidder shall state with specificity the reasons why the services cannot be so performed. The University Contracting Officer shall determine whether sufficient justification has been provided by the bidder to form the basis of his certification that the services cannot be performed in the United States.

FAILURE TO SUBMIT SOURCING INFORMATION WHEN REQUESTED BY THE UNIVERSITY SHALL PRECLUDE AWARD OF THE CONTRACT TO THE BIDDER.

If during the term of the contract, the contractor or subcontractor, who had on contract award declared that services would be performed in the United States, proceeds to shift the performance of the services outside the United States, the contractor shall be deemed to be in material breach of its contract, which contract shall be subject to termination for cause, unless approved beforehand by the University Contracting Officer.

No vendor may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such vendor to any State Officer or employee or Special State Officer or employee having any duties or responsibilities in connection with the purchase acquisition or sale of any property or services by or to any State Agency or any instrumentality thereof, or with any person, firm or entity with which he employed or associated or in which he has an interest within the meaning of N.J.S.A. 52:13D-13g.

d. No vendor shall influence or attempt to influence or cause to be influenced, any State Officer or employee or Special State Officer or employee in his official capacity in any manner which might tend to impair the objectivity or independency of judgment of said Officer or employee.
