I. Points of Information:

1. Contractor to provide floor tiles at removed existing counter to match existing.

2. Question: What is the scope of work for "refinishing existing floor tiles"?

Response: Existing floor tiles are VCT.
- Thoroughly rinse/map the entire floor with fresh, clean water. Allow the floor to dry completely.
- If there is sufficient polish (3 to 5 coats) remaining on the floor, buff, spray buff or burnish to restore gloss.
- If needed, additional coats of floor polish may be applied.

3. Question: The specification is asking that we provide an furnished office trailer and provides a list of the specific furnishings that would be typical of a large size project. Is this correct?

Response: These are general notes and this job does not require a trailer.

4. Question: The specification is asking that we provide a construction sign. Is this to be erected inside or outside the building?
