1.0 INFORMATION FOR BIDDERS

1.1 PURPOSE AND INTENT
This Request for Proposal (RFP) is issued by the Office of Procurement Services (Procurement Services), Montclair State University (University). The purpose of this RFP is to solicit proposals for a qualified media buying firm with class-leading digital expertise and a proven understanding of the complexities of higher education marketing to serve as its strategic marketing partner.

The intent of this RFP is to award a contract to that responsible bidder whose bid proposal, conforming to this RFP is most advantageous to the University, price and other factors considered. However, the University reserves the right to separately procure individual requirements that are the subject of the awarded contract during the contract term, when deemed by the University’s Vice President for Finance and Treasurer to be in the University’s best interest.

The University’s Standard Contract Terms and Conditions, Appendix 1 hereto, will be part of the awarded contract. The University’s Standard Contract Terms and Conditions are in addition to the terms and conditions set forth in this RFP and should be read in conjunction with them.

1.2 BACKGROUND
Montclair State University (the University) is at an exciting time in its history. Over the last 20 years, the University has nearly doubled its enrollment, expanded facilities by 3.5 million square feet (in some 30 new or renovated buildings), launched over 80 new graduate programs, and attained Carnegie national research doctoral university status. The University has built a strong array of academic programs that capitalize on its close proximity to New York City. It serves a sizable number of first-generation and underrepresented minority students and is now New Jersey’s second-largest institution of higher learning.

The University now seeks to harness the considerable momentum it has built in order to deepen and expand its impact, enhance its brand, further engage its stakeholders, and compete more effectively for students and funding. President Susan A. Cole, the board, campus leaders and the faculty understand and value the crucial role of communications and marketing in advancing the institution’s goals, and there is widespread desire for broader name recognition, greater brand awareness, and sharper marketplace positioning.

In late 2018 President Cole established the Office of Communications & Marketing, formerly part of a consolidated advancement division, as a stand-alone unit under the leadership of the University’s first vice president for communications and marketing, Joseph A. Brennan, who started in January 2019 after a national search. Brennan leads a team of 20 highly-skilled creative
professionals who are responsible for managing the University’s paid, earned, shared and owned channels.

This in-house team is tasked with a high volume of production: in the last year, it produced or managed over 500 print projects and 277 digital campaigns, issued hundreds of news releases and social media postings, and updated thousands of web pages as part of a massive, multi-month migration to a new hosting platform and design schema. As part of its effort to enhance the University’s brand, grow its enrollment and compete more effectively for students and funding, the University has made the strategic decision to supplement its internal capacity with external expertise and resources.

1.3 KEY EVENTS

Note: Bidders using USPS Regular or Express mail services should allow adequate time to ensure that bid proposals are received at Procurement Services on the date and time indicated on the cover sheet.

1.4 **ADDITIONAL INFORMATION**

1.4.1 **ADDENDUM: REVISIONS TO THIS RFP**

In the event that it becomes necessary to clarify or revise this RFP, such clarification or revision will be by addendum. Any addendum to this RFP will become part of this RFP and part of any contract awarded as a result of this RFP.

**ADDENDUM ISSUED WILL BE POSTED ON PROCUREMENT SERVICES WEBPAGE.**

There are no designated dates for release of addendum. Interested vendors should check the Procurement Services’ webpage on a daily basis from time of RFP issuance through bid proposal submission.

It is the sole responsibility of the bidder to be knowledgeable of addendum issued relating to this RFP.

Notice of addendum issued will be faxed by the assigned Procurement Services buyer to any vendor who has picked up a copy of the RFP at Procurement Services and who provided Procurement Services with its fax number.

It is the responsibility of the vendor accessing the RFP from Procurement Services’ webpage to e-mail or fax the assigned Procurement Services buyer to request that it be faxed notice of addendum issued.

1.4.2 **BIDDER RESPONSIBILITY**

The bidder assumes sole responsibility for the complete effort required in submitting a bid proposal in response to this RFP. No special consideration will be given after bid proposals are opened because of a bidder's failure to be knowledgeable as to all of the requirements of this RFP.
1.4.3 COST LIABILITY
The University assumes no responsibility and bears no liability for costs incurred by a bidder in the preparation and submittal of a bid proposal in response to this RFP.

1.4.4 CONTENTS OF BID PROPOSAL
Subsequent to bid opening, all information submitted by a bidder in the bid proposal is considered public information, except as may be exempted from public disclosure by the Open Public Records Act, N.J.S.A. 47:1A-1 et seq., and the common law.

A bidder may designate specific information in its bid proposal as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. The University reserves the right to make the determination and will advise the bidder accordingly. The location in the bid proposal of any such designation should be clearly stated in a cover letter. The University will not honor any attempt by a bidder either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.

By signing the Signature Page of this RFP (Attachment 1), the bidder waives any claims of copyright protection set forth within the manufacturer's price list and/or catalogs. The price lists and/or catalogs must be accessible to University using departments.

1.4.5 PRICE ALTERATION
Bid prices must be typed or written in ink. Any price change (including "white-outs") must be initialed. Failure to initial price changes shall preclude a contract award from being made to the bidder.

1.4.6 BID ERRORS
A bidder may request that its bid proposal be withdrawn prior to bid opening. Such request must be made, in writing, to the Director of Procurement Services. If the request is granted, the bidder may submit a revised bid proposal as long as the revised bid proposal is received prior to the announced date and time for the opening of bid proposals and at the place specified.

If, after the opening of bid proposals but before contract award, a bidder discovers an error in its bid proposal, the bidder may make written request to the Director of Procurement Services for authorization to withdraw its bid proposal from consideration for award. Evidence of the bidder’s good faith in making this request shall be used in making the determination. The factors that will be considered are that the mistake is so significant that to enforce the contract resulting from the bid proposal would be unconscionable; that the mistake relates to a material feature of the contract; that the mistake occurred notwithstanding the bidder’s exercise of reasonable care; and that the University will not be significantly prejudiced by granting the withdrawal of the bid proposal.

If, during the evaluation of bid proposals received, an obvious pricing error made by a potential contract awardee is found, the Director of Procurement Services shall issue written notice to the
bidder. The bidder will have five days after receipt of the notice to confirm its pricing. If the
bidder fails to respond, its bid proposal shall be considered withdrawn, and no further
consideration shall be given it.

If it is discovered that there is an arithmetic disparity between the unit price and the total
extended price, the unit price shall prevail. If there is any other ambiguity in the pricing other
than a disparity between the unit price and extended price and the bidder’s intention is not
readily discernible from other parts of the bid proposal, the assigned Procurement Services
buyer may seek clarification from the bidder to ascertain the true intent of the bid proposal.

1.4.7 JOINT VENTURE
If a joint venture is submitting a bid proposal, the agreement between the parties relating to
such joint venture should be submitted with the joint venture’s bid proposal. Authorized
signatories from each party comprising the joint venture must sign the Signature Page
(Attachment #1) and the Source Disclosure Certification (Attachment #3). A separate
Ownership Disclosure Form (Attachment #2) and Company Qualification Certification
(Attachment #4) must completed by each party to the joint venture.

NONE
3.0 COMMODITY DESCRIPTION/SCOPE OF WORK

The Office of University Communications & Marketing seeks a qualified media buying firm with class-leading digital expertise and a proven understanding of the complexities of higher education marketing to serve as its strategic marketing partner. The awarded bidder will work in close collaboration with the University’s in-house staff and a small number of external service providers as it provides the following services.

1. Media planning and buying: The awarded bidder shall develop and implement paid advertising plans, inclusive of both digital and traditional media, to support institutional brand visibility and student recruitment. The University anticipates having a $1 million annual budget for the firm to manage. This budget is subject to the University’s approval process and is subject to change on an annual basis. Both digital and traditional media efforts will be ongoing throughout the year with fluctuations throughout based on the customer journey for higher education. Additionally, the awarded bidder shall provide strategic insights and tactical recommendations that reflect a thorough understanding of the University’s business goals and target audiences— including but not limited to prospective graduate and undergraduate students, influencers, alumni, and external leaders. As changes in media platforms occur, the University and the selected bidder shall work in conjunction to potentially utilize them while performing the requirements stated above.

2. Campaign reporting: The awarded bidder shall provide weekly (at minimum) reporting that will track mutually agreed-upon key performance indicators (KPIs) for attribution and benchmarking purposes within ten (10) working days of all campaign kickoffs. The following services shall be included within Campaign Reporting:

- Provide regular campaign performance metrics, including industry benchmarks where applicable, at a frequency to be mutually determined;
- Provide recommendations for adjustments and optimizations to ongoing campaigns based on the performance metrics;
- Provide a final, comprehensive report of campaign performance for each University fiscal year no later than 30 days after the fiscal year close. The University’s fiscal year runs July 1 through June 30 of each year;
- Note: Reporting for student recruitment marketing should include lead attribution (at the level of individual program enrollments) so that the university can understand where the lead originated for each enrolled student. This will require the selected bidder to demonstrate technical expertise in the integration of data from (but not limited to) Slate CRM, Google Analytics, and Google Tag Manager for the purposes of campaign attribution, optimization and overall reporting.
3. **Market Competitiveness Research:** The selected bidder shall prepare and provide, on an annual basis (with the first such report due within 45 days of starting the engagement), a report on Montclair State University’s competitiveness against six (6) competitors to be identified by the university (primarily higher education institutions in New Jersey and neighboring states). The purpose of said report is to help the university better understand how others’ advertising strategies, tactics and results compare to its own. The report shall include, but is not limited to the following kinds of data for both Montclair State and its competitors:

- Total advertising spend, broken out by channel/platform;
- Paid search engine marketing effectiveness, including keywords;
- Digital display advertising effectiveness, including where ads are placed;
- Social media effectiveness (both paid and organic), including engagement ratios; and
- Creative approaches, marketing mix and messaging, including samples.

In Section 3.1, Statement of Qualifications, bidders shall describe how they would obtain the data, and provide a sample report prepared for a client (client and competitor identities and data can be disguised; preferably the client would be a higher ed institution).

4. **Integrated marketing campaign collaboration:** The awarded bidder must work closely with other agency partner(s) as a part of an Integrated Agency Team (IAT) on all strategic planning initiatives. The IAT will be led by the Creative and Strategy Agency and the awarded bidder shall contribute to the media buying strategy and tactical execution of any plans.

5. Turnkey service: the awarded bidder must regularly check-in with the University to keep up with its changing needs, proactively propose solutions, and manage University projects from start to finish, with minimum need for the University to provide project management.

6. File/data sharing: the awarded bidder will be expected to have a way to securely share files and information with the University (for example, a shared database).

7. Quality assurance and make-goods: the awarded bidder must proactively check its work to reduce the risk of errors; must monitor and verify insertions for accuracy and correct pricing; and pursue “make goods” from media outlets in the event of errors caused by the media outlet. In the event of errors caused by the awarded bidder, the bidder must rectify the error and provide the University with appropriate compensation.

The bidder must, within [Buyer to indicate number of days] working days following a request from the Procurement Services buyer, submit bid samples to Procurement Services. The testing results of the University are final.

4.4.4 BID SECURITY NOT APPLICABLE TO THIS RFP
Each bid proposal must be accompanied by a Bid Bond [See Attachment #6], Certified or Cashier's Check made payable to Montclair State University equal to ten percent (10%) of the amount of the bid proposal, not to exceed $20,000.00, as evidence of good faith, which guarantees that if the bid proposal submitted by the bidder is accepted, the bidder will enter into the Contract and will furnish the required Contract Documents and Surety Bonds. If a Bid Bond is submitted, it shall also provide that the Surety issuing the Bid Bond is bound to issue the required Payment and Performance Bonds [See Attachment #7], if the bidder is awarded the Contract. If the bidder whose bid proposal is accepted is unable to provide the Performance and Payment Bonds or fails to execute a Contract, then such Bidder and the Bid Bond Surety shall be
obligated to pay Montclair State University the difference between the amount of the bid proposal and the amount which the University contracts to pay another party to perform the work. The University reserves the right to retain any Certified or Cashier’s Check deposited hereunder as reimbursement for the difference as aforesaid, and shall return any unrequited balance to the bidder. Should there be a deficiency in the amount of the Bid deposit, the bidder and the Surety shall pay the entire amount of the difference in cost upon demand. The bidder awarded the Contract shall construe nothing contained herein as a waiver of any other legal remedies the University may have by reason of a default or breach.

Certified or Cashier’s Checks or Bonds submitted by unsuccessful bidders will be returned after the Contract has been executed. Bidders electing to furnish a Bid Bond must also include a Consent of Surety, in form acceptable to the University.

Attorneys-in-fact who sign Bid Bonds or Contract Bonds must file a certified Power of Attorney with the University indicating the effective date of that power.

If a certified financial statement is not available, the bidder should provide either a reviewed or compiled statement from an independent accountant setting forth the same information required for the certified financial statement, together with a certification from the Chief Executive Officer and the Chief Financial Officer, that the financial statement and other information included in the statement fairly present in all material respects the financial condition, results of operations and cash flows of the bidder as of, and for, the period presented in the statement. In addition, the bidder should submit a bank reference.

If the financial information is not included with the bidder’s response, the University may request the bidder to submit it, or deem the bid non-responsive. If the University requests it be submitted and the bidder fails to submit within seven (7) business days, the University may deem the bidder’s proposal non-responsive.

The bidder may designate specific financial information as not subject to disclosure when the bidder has a good faith legal/factual basis for such assertion. The bidder may submit specific financial documents in a separate, sealed package clearly marked “Confidential-Financial Information” along with its bid proposal.

The University reserves the right to make the determination whether to accept the bidder’s assertion of confidentiality and will advise the bidder accordingly.

4.4.6 PRICING
The bidder must submit its pricing using the format set forth in the price sheet(s) attached to this RFP (Attachment #5). Failure to submit all information required will result in the bid proposal being considered non-responsive. Notwithstanding the Contract Effective Date on the RFP Signature Page, Attachment #1, each bidder is required to hold its prices firm through issuance of the contract.

5.0 SPECIAL CONTRACTUAL TERMS AND CONDITIONS

5.1 PRECEDENCE OF SPECIAL CONTRACTUAL TERMS AND CONDITIONS
The contract awarded as a result of this RFP shall consist of addendum to this RFP, this RFP (including the University’s Standard Contract Terms and Conditions (Appendix 1)), the contractor's bid proposal and the University’s Agreement incorporating these documents and signed by the contractor and the University’s Vice President for Finance and Treasurer.

In the event of a conflict between provisions within the contract documents, the contract documents shall have the following order of priority: Agreement, RFP Addendum by later issuance date, the RFP, the University’s Standard Contract Terms and Conditions and the contractor’s bid proposal.

5.2 CONTRACT TERM AND EXTENSION OPTION
The term of the contract shall be for a period of three (3) years. The anticipated "Contract Effective Date" is provided on the Signature Page (Attachment #1) of this RFP: If delays in the procurement process result in a change to the anticipated Contract Effective Date, the bidder agrees to accept a contract for the full term of the contract. The contract may be extended for all or part of two (2) additional one-year periods, by the mutual written consent of the contractor and the University’s Vice President of Finance and Treasurer.

5.3 CONTRACT TRANSITION
In the event that a new contract has not been awarded prior to the contract expiration date, as may be extended herein, it shall be incumbent upon the contractor to continue the contract under the same terms and conditions until a new contract can be completely operational. At no time shall this transition period extend more than ninety (90) days beyond the expiration date of the contract.

5.4 CONTRACT AMENDMENT
Any changes or modifications to the terms of the contract shall be valid only when they have been reduced to writing and signed by the contractor and the University’s Vice President for Finance and Treasurer.

5.5 CONTRACTOR'S WARRANTY
The contractor is responsible for the quality, technical accuracy, timely completion and delivery of all deliverables and other services to be furnished by the contractor under the contract.
contractor agrees to perform in a good, skillful and timely manner all services set forth in the contract.

The contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its services and deliverables furnished under the contract. The approval of interim deliverables furnished under the contract shall not in any way relieve the contractor of fulfilling all of its obligations under the contract. The acceptance or payment for any of the services rendered under the contract shall not be construed as a waiver by the University, of any rights under the agreement or of any cause of action arising out of the contractor’s performance of the contract.

The acceptance of, approval of or payment for any of the services performed by the contractor under the contract shall not constitute a release or waiver of any claim the University has or may have for latent defects or errors or other breaches of warranty or negligence.

5.6 ITEMS ORDERED AND DELIVERED
The contractor is authorized to ship only those items covered by the contract resulting from this RFP. If a review of orders placed by University user departments reveals that material other than that covered by the contract has been ordered and delivered, such delivery shall be a violation of the terms of the contract and may be considered by the University’s Vice President for Finance and Treasurer as a basis to terminate the contract and/or as a basis not to award the contractor a subsequent contract. The University’s Vice President for Finance and Treasurer may take such steps as are necessary to have the items returned to the contractor, regardless of the time between the date of delivery and discovery of the violation. In such event, the contractor shall reimburse the University the full purchase price.

The contract involves items which are necessary for the continuation of ongoing critical University services. Any delay in delivery of these items would disrupt University services and would force the University to immediately seek alternative sources of supply on an emergency basis. Timely delivery is critical to meeting the University's ongoing needs.

5.7 REMEDIES FOR FAILURE TO COMPLY WITH MATERIAL CONTRACT REQUIREMENTS
In the event that the contractor fails to comply with any material contract requirements, the University’s Vice President for Finance and Treasurer may take steps to terminate the contract in accordance with the provisions herein and/or authorize the delivery of contract items by any available means, with the difference between the price paid and the defaulting contractor's price either being deducted from any monies due the defaulting contractor or being an obligation owed the University by the defaulting contractor.

5.8 MANUFACTURING/PACKAGING REQUIREMENTS
- All products must conform in every respect to the standards and regulations established by Federal and New Jersey State laws.
• All products shall be manufactured and packaged under modern sanitary conditions in accordance with federal and state law and standard industry practice.

In the event of termination of the contract under b. above, i.e. For Cause, the University may acquire the goods and/or services which are the subject of the terminated contract from another source. If the price paid is greater than the contract price, the University may deduct the difference in price from any monies due the terminated contractor or, if no monies are due the terminated contractor, the difference in price shall be an obligation owed the University by the terminated contractor.

5. SUBCONTRACTING OR ASSIGNMENT

The contract may not be subcontracted or assigned by the contractor, in whole or in part, without the prior written consent of the University. Such consent, if granted, shall not relieve the contractor of any of his responsibilities under the contract.

Destination.

The contractor is responsible for the delivery of material in first class condition to the University in accordance with good commercial practice. The contractor shall only ship those items and quantities that are covered by contract. If a review of material received indicates that material other than that covered by the contract has been ordered and delivered, the University will take such steps as are necessary to have the material returned, regardless of the time elapsed between delivery and discovery of the violation. Compliance with this requirement is the full responsibility of the contractor.

The University shall accept deliveries during normal business hours, 7:00 a.m. to 5:00 p.m. on normal business days (Monday through Friday).

All items must be delivered into and placed at a point within the buildings as directed by the University. Notification must be given 24 hours in advance on any single item weighing over 500 pounds by calling the University’s Central Receiving at 973-655-4359.
