University Contract # 1444 – Bus Transportation

The University is pleased to announce the award of University Contract #1444, Transportation for University Athletics and Additional Departments. This agreement was made in an effort to lower spending and to ensure that the University's charter travel needs are met with the appropriate insurances and New Jersey regulatory requirements for purchasing and overall safety of our University community. Please do not engage another bus company for the awarded services.

This contract was awarded to a Primary Supplier and a Secondary Supplier. In the event that the Primary Supplier, for whatever reason, cannot fulfill a trip request, the Secondary Supplier is to be contacted for service.
