Congratulations on your FY24 Career Development award!

You may begin spending down your award on or after July 1, 2023 when the new fiscal year begins.

All reimbursement requests must be initiated by the requestor or the department via Workday. When the requests are submitted in Workday, the Office of the Provost will review and approve the expense appropriately. Be sure to refer to your award letter for the award amount. The Office of the Provost expects that all reimbursement requests adhere to the University-wide travel policy and procedures.

All travel and expense reimbursement requests should be submitted within 60 days of incurring the expense. In order for the University to be IRS-compliant, any reimbursements submitted to Accounts Payable after 60 days will be considered taxable income.
