

PSEG INSTITUTE FOR SUSTAINABILITY STUDIES CALL FOR CORPORATE PARTNERS

SUMMER 2020

June 1- August 6

Applications Due February 1, 2020 5p ET

PURPOSE :

The PSEG Institute for Sustainability Studies (PSEG ISS) plays a transformative role in transdisciplinary research and education to address the real-world sustainability issues of our time. Through growing partnerships with sustainability professionals, organizations, and municipalities, PSEG ISS provides its partners essential research and knowledge on how human activity impacts globally-connected communities, ecosystems, and economies, and recommends feasible approaches to achieve the changes needed.

SOLUTION:

PSEG ISS and New Jersey Higher Education Partnership for Sustainability (NJHEPS) offer highly impactful solutions that build on and leverage your company's or organization's current resources for greater collective gains in impact and resource allocation to Sustainability.
