PSEG Institute for Sustainability Studies
7th Annual Green Teams Internship Program

Summer Internship Dates: May 31st, 2022 - August 4th, 2022

ALL Majors Desired!

Over ten weeks students work with industry experts to broaden their skill sets and achieve high-level deliverables. At the conclusion of the internship, they present a comprehensive and actionable written report in addition to a formal final presentation.

This PAID summer internship gives students like you the opportunity to expand your leadership skills and gain professional work experience while tackling real-world issues. Apply today!

Summer 2022
