# STUDENT SYMPOSIUM ON SUSTAINABILITY SCIENCE

Montclair State University, NJ

October 13, 2026

1PM – 5PM

## Student Symposium on Sustainability Science (4S) Fact Sheet

It's Free!

- **What is the Student Symposium on Sustainability Science (4S)?** The symposium is a one-day event that aims to provide opportunities for students and early-career professionals to showcase their research and work among peers, while simultaneously providing networking and mentoring opportunities to support their career development and growth. Unlike traditional conferences, 4S only highlights research led by students and postdoctoral fellows, providing a unique opportunity to build presentation skills and expand professional networks.
- **What are the dates of 4S and where is it located?** The Symposium will take place on October 13, 2026 in the School of Communications and Media at Montclair State University, New Jersey.
- **How much does it cost to attend?** Nothing! This event is free to register and attend. Please note that registration is required.
- **What is the schedule of events?** The Symposium will run from approximately 1pm-5pm and include a welcome address, a presentation session, a networking session, a poster session, and a concluding address.
- **Will food or refreshments be provided?** Light refreshments will be available.
- **How is 4S associated with the SCCS?** 4S and SCCS are partnering to expand connections between the sustainability and conservation fields. Attendees will receive a 50% discount to attend SCCS along with free shuttle transportation.
