

INTERNATIONAL STUDENT HEALTH INSURANCE WAIVER CHECKLIST & COMPARISON CHART

Montclair State University mandates that all domestic undergraduate students enrolled in 12 or more credits, graduate students enrolled in 9 or more credits, and international students, regardless of credits, must enroll in the school-sponsored Student Health Insurance Plan (SHIP) or be covered by a comprehensive health insurance plan that is filed and approved in the U.S. and compliant with the Affordable Care Act (ACA) benefit requirements. To ensure compliance, mandated students are automatically billed for the SHIP.

If you have health insurance through another provider, it must meet the minimum requirements to qualify for a waiver. You must be able to provide verifiable proof. Foreign insurance, non-state HMOs, and travel insurance plans are not acceptable as alternative coverage as they do not meet the minimum requirements.

If you do not have coverage through another provider that meets these minimum requirements, then you enroll in the SHIP, or you will be automatically enrolled after the waiver deadline.

INTERNATIONAL STUDENT HEALTH INSURANCE WAIVER REQUIREMENT AFFORDABLE CARE ACT (ACA)

Montclair State University mandates that *all domestic undergraduate students enrolled in 12 or more credits, graduate students enrolled in 9 or more credits, and international students, regardless of credits*, must enroll in the school-sponsored Student Health Insurance Plan (SHIP) or be covered by a comprehensive *Affordable Care Act (ACA) compliant health insurance plan*.

AFFORDABLE CARE ACT (ACA) – WHAT YOU NEED TO KNOW

What is the Affordable Care Act (ACA)?

(A) The Patient Protection and Affordable Care Act, commonly known as the ACA, was signed into law in 2013 and provides specific requirements for health insurance, such as covering preventive care obtained at an in-network provider at no cost.

What does the ACA mean for my health insurance coverage?

(A) Under the ACA, everyone must be covered by a health insurance plan that meets specific minimum essential coverage requirements.

What is “minimum essential coverage”?

(A) An insurance plan certified by the Health Insurance Marketplace® provides essential health benefits, follows established limits on cost-sharing (like deductibles, copayments, and out-of-pocket maximum amounts), and meets other requirements under the Affordable Care Act. All qualified health plans meet the Affordable Care Act requirement for having health coverage, known as “minimum essential coverage.”

Examples of qualifying health coverage:

(This information retrieved from <https://www.healthcare.gov/fees/plans-that-count-as-coverage/>)

- Plan filed and approved in the United States
- Approved plans offered through a US employer or embassy
- Any “[grandfathered individual insurance plan](#)” you’ve had since March 23, 2010, or earlier
- [Any job-based plan](#), including [retiree plans](#) and [COBRA coverage](#)
- [Most student health plans](#) (check with your school to see if the plan counts as qualifying health coverage)

International Student Waiver Process

Montclair State University requires all F-1 Visa students, part-time or full-time, to be insured with an ACA-compliant, filed, and approved policy in the U.S.

Please Note: Health insurance plans marketed solely to International students are often not filed and approved in the U.S. and have limited benefits, provider networks, and/or coverage periods that do not comply with the Montclair State insurance requirements. GBG Insurance, HDL Global Specialty, ISO, PGH (United), PSI, Student Medicover, and Tata AIG are companies that do not meet the waiver requirements.

J-1 Visa Students: J-1 visa holders must meet the US Department of State’s health insurance minimums. Please see Mandatory Health Requirements on The Office of Global Engagement site and information on how to waive the university insurance.

You can request the International Student Waiver Form if your health insurance plan meets all the waiver requirements. International students do not have access to the online enrollment and waiver forms. Contact University Health Plans at (833) 251-1705 or info@univhealthplans.com.
